AT&T BUSINESS UNLIMITED ELITE PLAN: Monthly plan charge (\$100) for talk, text and data & monthly per-line device access charges (\$10 to \$75) for access to such services. Eligible customers can get a Smartphone Access Charge Discount, a discount for having AutoPay & Paperless billing, and/or a Phone Line Discount. If eligible, each discount will be applied via a monthly bill credit. **Smartphone Access Charge Discount:** The standard per month smartphone access charge (\$75) is discounted by \$25 per month for each smartphone that is purchased at full price, on a qualified installment plan, bring your own, or on a month-to-month term. You will lose any available discount if you upgrade to a new smartphone with a 2-year service commitment. **AutoPay & Paperless Bill Discount:** Monthly discount (\$10 per phone line) when account active & enrolled in both. Discount starts w/in 2 bill cycles. Pay full plan cost (up to \$100 per month) plus per device access charges until discount starts. **Phone Line Discount:** Monthly discount of \$55 (1 phone line), \$30 (2 phone lines), \$40 (3 phone lines), \$60 (4 phone lines), \$75 (5 phone lines), or \$100 (6 or more phone lines) applied to your plan charge. **DEVICE LIMITS:** 10 devices/plan. **HIGH DEFINITION (HD) & 4K UHD VIDEO STREAMING:** Access HD (about 1080p) and 4K UHD (about 2160p) video streaming if and when each is available. Requires eligible hardware and video source. Ability to stream and video resolution may vary, may be affected by network congestion and other factors, and are not guaranteed. Other restrictions apply. **MOBILE HOTSPOT:** Requires compatible device. Includes up to 100 GB per line per month. After 100 GB, mobile hotspot speed slowed to max of 128 Kbps for the rest of bill cycle except Connected Cars (in car Wi-Fi /vehicle wi-fi hotspots). After this, tethering data usage, including sponsored data, will be impacted and not fully functional. **AT&T BUSINESS FAST TRACK:** Feature uses "always on" quality of service network technology to provide eligible CRU lines with a differentiated (i.e., enhanced versus "best effort") network experience for business data traffic originated on and traversing entirely over the AT&T-owned domestic 4G LTE network (i.e., excluding microcells, AT&T Wi-Fi service, roaming partners' networks, and the AT&T 5G+ and 5G networks) during times of congestion. **Device Requirements:** Each line requires a 4G LTE capable device. **Limitations:** Feature is intended for business application data traffic only. **Feature does not (a) prioritize CRU's data traffic ahead of all other data traffic, as other data traffic may receive a similar or higher quality of service, (b) provide priority access to available network resources, or (c) provide any preemption capabilities. Termination or Suspension:** AT&T reserves the right to terminate, suspend or restrict the feature if use is inconsistent with its intended use or the Business Agreement. **AT&T MOBILE SECURITY PLUS:** Requires a compatible VoLTE-enabled smartphone (either an iPhone 6 or newer operating on iOS version 9.3 or higher or an AT&T HD Voice-enabled Android smartphone). Available in AT&T HD Voice coverage areas. **Mobile Security App:** CRUs must download the app onto their qualified smartphone from generally available app stores, such as Apple iTunes® and Google® Play. The app requires Customer and individual CRUs to accept the terms of a EULA found at att.com/mobilesecurityeula prior to use. **Limitations:** AT&T Mobile Security Plus is not guaranteed to detect or protect against all viruses, malware, rooting, and unauthorized app installations, or to prevent data breaches or device theft. Other restrictions apply; see att.com/securitycallprotect for more details.

AT&T BUSINESS UNLIMITED PERFORMANCE PLAN: Monthly plan charge (\$80) for talk, text and data & monthly per-line device access charges (\$10 to \$70) for access to such services. Eligible customers can get a Smartphone Access Charge Discount, a discount for having AutoPay & Paperless billing, and/or a Phone Line Discount. If eligible, each discount will be applied via a monthly bill credit. **Smartphone Access Charge Discount:** The standard per month smartphone access charge (\$70) is discounted by \$25 per month for each smartphone that is purchased at full price, on a qualified installment plan, bring your own, or on a month-to-month term. You will lose any available discount if you upgrade to a new smartphone with a 2-year service commitment. **AutoPay & Paperless Bill Discount:** Monthly discount (\$10 per phone line) when account active & enrolled in both. Discount starts w/in 2 bill cycles. Pay full plan cost (up to \$80 per month) plus per device access charges until discount starts. **Phone Line Discount:** Monthly discount \$40 (1 phone line), \$20 (2 phone lines), \$35 (3 phone lines), \$60 (4 phone lines), or \$80 (5 or more phone lines) applied to your plan charge. **DEVICE LIMITS:** 10 devices/plan. **DATA RESTRICTIONS: After 50GB of data usage on a line in a bill cycle, for the remainder of the cycle AT&T may temporarily slow data speeds on that line during times of network congestion. VIDEO STREAMING:** Plan includes Stream Saver feature, which allows you to stream higher definition video at a max of 15 Mbps, in Standard Definition quality (about 480p) on compatible devices (unless video provider has opted out). AT&T will activate the feature for you. You can turn it off or back on at any time via your online account management portal (att.com/myatt or att.com/premier, as applicable) or by calling 611. Stream Saver will not recognize all video content. Ability to stream and video resolution may vary and be affected by other factors. Other restrictions apply. Details at att.com/stream saver. If two or more tethered devices are watching video from the same source at the same time, we may identify it as a single video and slow the speeds collectively to a max of 15 Mbps, which may impair your ability to watch video on these tethered devices. You can pause video on all but one of the tethered devices, watch from different sources, or turn off Stream Saver to resolve this issue. **High Definition (HD) Video:** You can turn off Stream Saver at any time to enjoy access to HD video streaming (up to 1080p), if and when available. Requires eligible hardware and video source. Ability to stream, video resolution, and other data usage (including speed) are not guaranteed, may vary, and may be affected by a variety of other factors. Other restrictions apply. **MOBILE HOTSPOT:** Requires compatible device. Includes up to 30 GB per line per month. After 30 GB, mobile hotspot speed slowed to max of 128 Kbps for the rest of bill cycle except Connected Cars (in car Wi-Fi/vehicle wi-fi hotspots). After this, tethering data usage, including sponsored data, will be impacted and not fully functional. **AT&T MOBILE SECURITY PLUS:** Requires a compatible VoLTE-enabled smartphone (either an iPhone 6 or newer operating on iOS version 9.3 or higher or an AT&T HD Voice-enabled Android smartphone). Available in AT&T HD Voice coverage areas. **Mobile Security App:** CRUs must download the app onto their qualified smartphone from generally available app stores, such as Apple iTunes® and Google® Play. The app requires Customer and individual CRUs to accept the terms of a EULA found at att.com/mobilesecurityeula prior to use. **Limitations:** AT&T Mobile Security Plus is not guaranteed to detect or protect against all viruses, malware, rooting, and unauthorized app installations, or to prevent data breaches or device theft. Other restrictions apply; see att.com/securitycallprotect for more details.

AT&T BUSINESS UNLIMITED STARTER PLAN: Monthly plan charge (\$70) for talk, text and data & monthly per-line device access charges (\$10 to \$65) for access to such services. Eligible customers can get a Smartphone Access Charge Discount, a discount for having AutoPay & Paperless billing, and/or a Phone Line Discount. If eligible, each discount will be applied via monthly bill credit. **Smartphone Access Charge Discount:** The standard per month smartphone access charge (\$65) is discounted by \$25 per month for each smartphone that is purchased at full price, on a qualified installment plan, bring your own, or on a month-to-month term. You will lose any available discount if you upgrade to a new smartphone with a 2-year service commitment. **AutoPay & Paperless Bill Discount:** Monthly discount (\$10 per phone line) when account active & enrolled in both. Discount starts w/in 2 bill cycles. Pay full plan cost (up to \$70 per month) plus per device access charges until discount starts. **Phone Line Discount:** Monthly discount of \$35 (1 phone line), \$10 (2 phone lines), \$25 (3 phone lines), \$50 (4 phone lines), or \$70 (5 or more phone lines) applied to your plan charge. **DEVICE LIMITS:** 10 devices/plan. **DATA RESTRICTIONS: AT&T may slow data speeds when the network is busy. VIDEO STREAMING:** Plan is not eligible for Stream Saver. For content we can identify as video, wireless streaming speed will be slowed to Standard Definition quality (about 480p). Video speed is capped at Standard Definition, regardless of network device is on (for example, 4G LTE). Ability to stream, video resolution, and other data usage (including speed) are not guaranteed, may vary, and be affected by a variety of other factors. Tethering/mobile hotspot use prohibited except Connected Cars (in car Wi-Fi/vehicle Wi-Fi hotspots). If 2 or more tethered devices are watching video from the same source at the same time, we may identify it as a single video and slow the speeds collectively to a max of 15 Mbps, which may impair your ability to watch video on these tethered devices. You can pause video on all but one of the tethered devices, or watch from different sources to resolve this issue.

AT&T BUSINESS UNLIMITED WEB ONLY PLAN: Available only online at att.com/smallbusiness and only for qualified small business customers with an AT&T Mobile Business Agreement or other qualified wireless service agreement. Monthly plan charge (\$90) for talk, text and data & monthly per-line device access charges (\$10 to \$60) for access to such services. Eligible customers can get a Smartphone Access Charge Discount, a discount for having AutoPay & Paperless billing, and/or a Phone Line Discount. If eligible, each discount will be applied via a monthly bill credit. **Smartphone Access Charge Discount:** The standard per month smartphone access charge (\$60) is discounted by \$25 per month for each smartphone that is purchased

at full price, on a qualified installment plan, bring your own, or on a month-to-month term. You will lose any available discount if you upgrade to a new smartphone with a 2-year service commitment. **AutoPay & Paperless Bill Discount:** Monthly discount (\$10 per phone line) when account active & enrolled in both. Discount starts w/in 2 bill cycles. Pay full plan cost (up to \$90 per month) plus per device access charges until discount starts. Phone Line Discount: Monthly discount of \$55 (1 phone line), \$30 (2 phone lines), \$45 (3 phone lines), \$60 (4 phone lines), or \$75 (5 or 6 phone lines) applied to your plan charge. **DEVICE LIMITS:** 6 devices/plan. **DATA RESTRICTIONS:** AT&T may slow data speeds when the network is busy. **VIDEO STREAMING:** Plan is not eligible for Stream Saver. For content we can identify as video, wireless streaming speed will be slowed to Standard Definition quality (about 480p). Video speed is capped at Standard Definition, regardless of network device is on (for example, 4G LTE). Ability to stream, video resolution, and other data usage (including speed) are not guaranteed, may vary, and be affected by a variety of other factors. Tethering/mobile hotspot use prohibited except Connected Cars (in car Wi-Fi/vehicle Wi-Fi hotspots). If 2 or more tethered devices are watching video from the same source at the same time, we may identify it as a single video and slow the speeds collectively to a max of 1.5 Mbps, which may impair your ability to watch video on these tethered devices. You can pause video on all but one of the tethered devices, or watch from different sources to resolve this issue.
