

Let AT&T help you navigate financing opportunities for Smart City projects

AT&T Capital – Municipal Leases

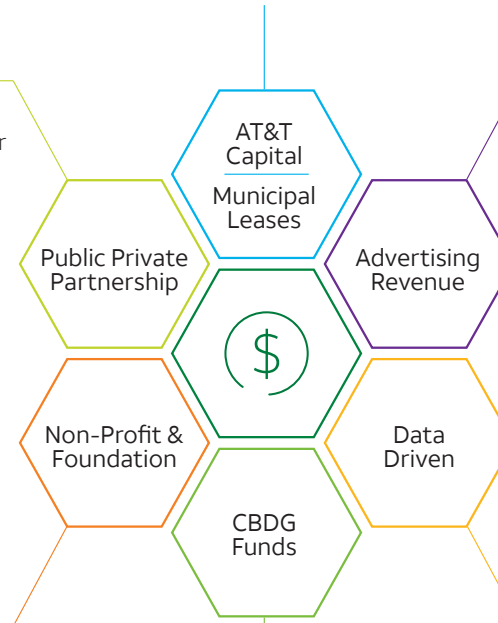

AT&T Capital provides municipal leases to government entities, allowing them to finance equipment acquisitions under a payment plan that fits their local budget process.

Public Private Partnership

Agreement between a public agency (federal, state or local) and a private-sector entity that uses the specific skills and assets of each sector for the delivery of a service for the general public.

Advertising Revenue

Advertising space can be utilized and sold to companies that hope to achieve exposure to a targeted audience.

Non-Profit & Foundation

Developing funding pools from which municipalities can compete for grants or other philanthropic gifts aimed at helping achieve more sustainable cities.

Data Driven Revenue

User data which companies can rely on for insights to benefit their product portfolio.

CBDG Funds

Community Development Block Grant funds local community development activities. Largely used at discretion of state & local governments.

Subject to credit approval by AT&T Capital Services; not all customers qualify. AT&T Capital Services, Inc., in its sole discretion, can discontinue this offer at any time. Pricing options available for US customers only.
