AT&T Business Summit Health & Safety Protocols

AT&T Business is committed to the health and safety of all our event guests, employees, suppliers and partners. Please plan to return to this page often, as updates will be made as more details become available.

Our commitment to you:

- **Hand sanitizing stations** – We recommend frequent hand washing and sanitizing. To assist with this, there will be hand sanitation stations available throughout the Convention Center.

- **Occupancy monitoring** – Room capacities have been set to allow for physical distancing standards. In addition to this – we will have staff personnel assigned to monitor the capacity of all rooms and spaces to help avoid overcrowding.

- **Health & Safety Ambassadors** - AT&T Business will have Health & Safety Ambassadors around the property to address any concerns and help maintain compliance with our policies.

- **Touchless transactions when possible** – AT&T Business will take measures to reduce the need to touch surfaces. This includes offering contactless on-site registration options. We will also be regularly cleaning and sanitizing event spaces.

Your commitment to us:

- **COVID-19 Documentation** - Attendees will be asked to present the following at on-site registration:
  - Proof of a completed COVID-19 vaccination or proof of a negative COVID-19 Test within 72 hours of onsite arrival

  Please note -
  - Attendees will need to provide an appropriate ID matching the name on their documentation.
  - AT&T Business will refuse entry to any attendee who has tested positive for COVID-19 within 14 days of the AT&T Business Summit.

- **Mask expectations** – There will be mask requirements based on CDC guidelines at the time of the event. Please stay tuned for additional details.

- **Stay safe acknowledgement** – An acknowledgement for health and safety rules will be shown during the registration process. All attendees must sign this acknowledgement online to register for this event. In addition to this – all attendees will need to sign a consent waiver during the registration process.

We are closely monitoring and assessing new developments pertaining to COVID-19 so that we are aware of any necessary preventive measures. We will continue to follow guidelines from the U.S. Centers for Disease Control and Prevention (CDC) and other governmental entities and will amend our plans as necessary.
