

# Slap and Track

Track virtually any asset, from virtually anywhere for as little as \$8/month\*. Asset Tracker 1 (AT1) offers one of the smallest and most cost-effective outdoor GPS trackers available today.

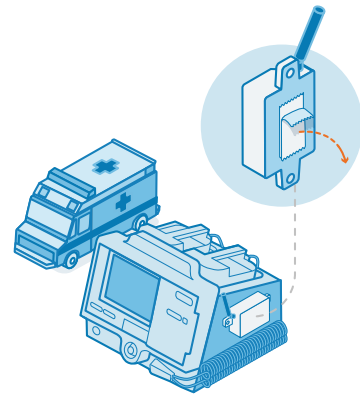

**Slap it** Get started in minutes... AT1 is quick and easy to attach.

With Screws

With Zip Ties

Or Adhesive Tape

**Track it** Start tracking what you need, when you need it...today!

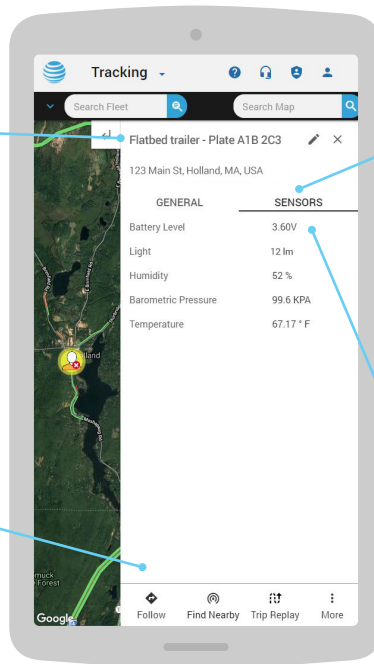

### Gain insight

Receive instant alerts of any detected asset movement.

### Save time

Eliminate the need to physically inspect every jobsite with reports on location & status changes.

### Monitor status

Track the conditions of your assets including temperature, humidity and light exposure.

### Avoid outages

Run your tracker on the latest low-power LTE-M network with up to 5 years of battery life.\*\*

For more information visit [att.com/IOT](http://att.com/IOT) or contact your AT&T sales representative.

\*Monthly cost of AT1 software and 1MB data plan; hardware sold separately; taxes and fees apply

\*\*Based on one ping per day
