# FAQs about AT&T International Calling

## Q: How can I get international long distance service added to my account?

**A:** To add international long distance service on your account, simply log in to myAT&T and select Manage add-ons under the line of service you want to add AT&T International Calling to. Look for the Explore add-ons section and click International and select Call/text another country from the U.S and complete the opt-in process.

## Q: Does AT&T offer discounted pay-per-use rates for international long distance calling?

**A:** Yes. When you add an AT&T International Calling package for \$15/month per device to a qualified rate plan, you'll get unlimited calling from the U.S. to over 85 countries. You'll also enjoy discounted calling rates to over 140 other countries.

## Q: Are there any special international calling plans for Canada and Mexico?

**A:** AT&T offers unlimited domestic rate plans that include unlimited calling from the U.S. to Mexico and Canada. Simply log in to myAT&T and check if your plan has unlimited calling - to Mexico and Canada.

## Q: How do I make an international long distance call from the U.S. to Canada, Mexico and other countries?

**A:** When calling to Canada, Jamaica, and Caribbean locations, you simply dial a 1 plus the local number of the recipient.

When calling Mexico, you simply dial +52, followed by the area code and local number.

To make other international calls from the U.S., simply dial + (or 011), followed by the country code and local number you wish to call.

Example: To call from the U.S. to France:  
+33 (local number)

## Q: How are international long distance pay-per-use calls charged?

**A:** International long distance calling rates are charged per minute and rounded up to the nearest minute and apply for calls made from the U.S. to another country. Calling to some countries may not be available.

## Q: Will I be charged international long distance rates to call U.S. territories?

**A:** No, with AT&T wireless service, calls to Puerto Rico, U.S. Virgin Islands (St. Croix, St. John, and St. Thomas), Guam, and Northern Mariana Islands are considered domestic calls.

## Q: Can I block international calls from being made from my cell phone?

**A:** Yes. Just call AT&T Customer Care at 866.MOBILITY and request that international calls be blocked.

## Q: How do I send a text, picture, or video message from the U.S. to another country?

**A:** To send any international message, dial "+" followed by the country code and local number.

Example: +44 1234567

Tip: With most phones, the + sign will appear if you press and hold down the 0 key.

## Q: What options are available for customers who want to send a text message from the U.S to an international number?

**A:** Unlimited texting from the U.S. to 200+ countries is included in select domestic postpaid plans. Simply log in to myAT&T and check if your plan has this benefit.

If your plan does not include unlimited texting from the US, you can send messages on a pay-per-use basis.

International Text Messages:

- To send: \$0.25/text
- To receive: Standard domestic messaging rates apply

International Picture/Video Messages:

- To send: \$0.50/text
- To receive: Standard domestic messaging rates apply

### AT&T INTERNATIONAL CALLING:

**Eligibility:** Domestic postpaid wireless voice plan required. Certain eligibility restrictions apply, which may be based on service tenure, payment history or credit. **International Long Distance (ILD) Calling:** For phones only. Includes from the U.S., and, for customers with select domestic plans only, from Mexico and/or Canada: (a) unlimited calling to Mexico and Canada, (b) unlimited calling to over 85 countries, and (c) discounted calling to over 140 countries. If your domestic postpaid wireless plan does not include unlimited talk, ILD calls count against your monthly allowance of voice minutes under your domestic plan. If you exceed your plan's monthly allowance, overage charges will apply. **Countries:** For details on package countries and rates, go to [att.com/internationalcalling](http://att.com/internationalcalling). Calling to some countries may not be available. Calls to special services, such as Premium Rated Services, may cost more. Countries and rates are subject to change without notice. **Pay-per-use rates:** Apply when an ILD calling package is removed, when calling numbers in countries not included in your package, and/or when you have not added a package. For current ILD pay-per-use rates, go to [att.com/internationalcalling](http://att.com/internationalcalling). **Restrictions:** Service provided for calls between people only, and for individual, non-commercial use. Not for resale. You may not use your service for purposes other than as intended by AT&T. Prohibited uses of the service include, without limitation, monitoring services, transmissions of broadcasts or recorded materials, telemarketing, fraud, autodialed calls, call forwarding, or other similar connections except if otherwise permitted under your applicable service agreement. If AT&T determines your service use violates the applicable terms or policies, AT&T may at its sole discretion modify your service, charge you pay-per-use rates, or terminate your service. **General: Subject to the Wireless Customer Agreement at [att.com/wca](http://att.com/wca) or, for business and government customers, the applicable wireless service agreement.** Taxes, fees, and other charges apply. Pricing and terms subject to change without notice. Additional restrictions may apply. ©2022 AT&T Intellectual Property. All rights reserved.
