Map depicts an approximation of outdoor domestic coverage. Actual coverage may differ. Coverage and service not available everywhere. For most current coverage info, check wireless.att.com/coverageviewer.

AT&T VOICE PLAN FOR WEARABLES AND 250MB DATA FOR WEARABLES FEATURE: All prices are billed monthly and are valid for use in the United States, Puerto Rico and U.S. Virgin Islands (the "Domestic Coverage Area" or "DCA") only. **Eligibility:** Available only to business and government customers with a qualified AT&T wireless service agreement and only for their Corporate Responsibility User ("CRU") lines of service. For full service terms and conditions, see applicable wireless service agreement, including without limitation, for business customers, the Additional Service--and Equipment-Related Terms found at att.com/abs-additional-terms ("Business or Government Agreement"). **Connected Wearable:** Is a wireless phone designed to be worn that is capable of making/receiving calls without being connected to another wireless device. For a list of devices visit att.com/wearableslist. Wearable sold separately. Installment plan charges and other device purchase costs are extra. A limit on the number of financed devices per wireless account may apply. **Business or Government Agreement Discounts:** Plan and feature not eligible for any CRU service discount described in the Business or Government Agreement. **AT&T VOICE PLAN FOR WEARABLES:** Provides voice and messaging service for use in the DCA. **Night & Weekends Minutes:** 9 pm to 6 am Mon-Fri; weekends 9 pm Fri. to 6 pm Mon. **Mobile-to-Mobile:** applies to direct calls to and from U.S. mobile numbers only. International and roaming calls not included. Calls to directory assistance, voicemail, pay-per-use, and call routing and forwarding numbers not included. **Messaging:** Text, picture/video and instant messages must be sent to and/or received from within DCA. **250MB DATA FOR WEARABLES FEATURE:** Required for connected wearables activated on the AT&T Voice Plan for Wearables. Provides data service for use in the DCA. **Data Overage:** If you exceed the total amount of data in your plan during your billing period, additional data will automatically be provided in increments of 250MB at \$5 per 250MB. All data allowances, including overages, must be used in the billing period provided, or they will be forfeited.

GENERAL WIRELESS SERVICE TERMS: Subject to applicable Business or Government Agreement. Service is not for resale. If AT&T determines your use of the services violates any of the applicable terms or policies found in the Business Agreement, we may in our sole discretion suspend, modify, terminate, or restrict your service. **Excessive Off-Net Usage:** You get an off-net (roaming) usage allowance for each service. If you exceed the allowance, your service(s) may be restricted or terminated. Other restrictions apply and may result in service termination. If you purchased a device that requires a term commitment, an **Early Termination/Cancellation Fee** applies if you cancel CRU service after the first 30 days and before the CRU service term ends. See att.com/equipmentETF for details on what fee may apply for your device and how the fee is prorated over time. Activation/upgrade fee per line (up to \$45) and deposit may apply. Credit approval may be required. AT&T reserves the right to suspend or terminate service to your account, place any non-complying device on an appropriate plan, and/or add any other required element of a plan. **International:** Your service may be provisioned with access to international long distance and international roaming automatically once you meet our eligibility requirements. Compatible device required. **International long distance:** pay-per-use rates apply if CRUs talk with or text someone outside the DCA without a rate plan or package that includes that international service. International long distance talk and text rates vary by country, are subject to change and can be seen at att.com/wcv. Select connected wearables do not have SMS/MMS functionality. **International roaming:** Select connected wearables do not have international roaming capability. For international roaming capable connected wearables, pay-per-use rates apply if CRUs talk, text or use data while outside of the DCA unless you add a travel package that includes that international service. International talk, text and data rates vary, are subject to change and can be seen at att.com/passport. **Other Monthly Charges:** Apply per line and may include taxes, federal/state universal service charges, a Regulatory Cost Recovery Charge (up to \$1.25), a gross receipts surcharge, an Administrative Fee, and other governmental assessments (including w/out limitation a Property Tax Allotment surcharge of \$0.20 - \$0.45 applied per CRU's assigned number), which are not government-required charges. **Pricing, fees, promotions, options, restrictions and terms subject to change and may be modified, discontinued or terminated at any time without notice.** **Coverage:** Coverage map shows high level approximation of areas included in and out of plan. For the most current coverage info for your area, check wireless.att.com/coverageviewer. Coverage may include areas served by unaffiliated carriers and not on AT&T's owned and operated network (off-net). Arrangements with these carriers may change from time to time, and coverage is subject to change without notice. Service is intended for use primarily within the DCA.
