<b>Included service(s)</b>	<p><b>Talk</b></p> <ul style="list-style-type: none"> <li>• 250 Anytime Minutes for use in the U.S.<sup>3</sup></li> <li>• Voice overage: \$.45/add'l minute</li> </ul> <p><b>Text</b></p> <ul style="list-style-type: none"> <li>• 250 messages sent/received in the U.S.<sup>4</sup></li> <li>• Messaging overage: \$.05/add'l message</li> </ul>	<p><b>Data</b></p> <ul style="list-style-type: none"> <li>• 250MB for use in the U.S.<sup>5</sup></li> <li>• Data overage: \$.50/250MB.</li> </ul>

- <sup>1</sup> NumberSync pairing with compatible smartphone (sold separately) may be required to access cellular network. See [att.com/numbersync](http://att.com/numbersync).
- <sup>2</sup> Plan and feature are offered as a bundle and cannot be purchased separately.
- <sup>3</sup> Includes 5,000 Night & Weekend Minutes and unlimited Mobile-to-Mobile Minutes. All voice allowances must be used in the billing period provided and do not roll over. **Apple wearables:** Plan includes international long distance calling from the U.S. to Mexico and Canada for compatible wearable; minutes are drawn from your domestic allowances and overage charges may apply. Apple wearables Series 5 and higher can also make calls within and between Mexico and Canada and from Mexico and Canada to the U.S. (OS update may be required.) **Pay-per-use rates:** Unless you have an appropriate international package, pay-per-use rates apply to calls to other countries (see [att.com/intlcalling](http://att.com/intlcalling)) and within other countries (see [att.com/intlppurates](http://att.com/intlppurates)).
- <sup>4</sup> Requires compatible device. **Apple wearables Series 5 and higher:** Plan includes messages sent or received within Mexico and Canada for compatible Series 5 and higher Apple wearables (OS update may be required); messages are drawn from your domestic allowance and overage charges may apply. **Pay-per-use rates:** Unless you have an international texting package, pay-per-use rates apply to messages sent from the U.S. to other countries (or, for Series 5 and higher Apple wearables, sent from the U.S., Mexico and Canada to countries other than the U.S., Mexico and Canada). Text messages – \$.25 per message; picture/video messages – \$.50 per message.
- <sup>5</sup> All allowances must be used in the billing period provided and do not roll over. **Apple wearables Series 5 and higher:** can also use plan data allowance in Mexico and Canada (OS update may be required). Roaming may be at 2G speeds.

- AT&T domestic coverage
- No service area

Map shows approx. outdoor coverage in domestic licensed/roaming areas. Actual coverage may differ. Service not avail. everywhere. See [att.com/coverageviewer](http://att.com/coverageviewer) for coverage details.

**AT&T VOICE PLAN FOR WEARABLES & 250MB DATA FOR WEARABLES FEATURE:** Available only to business and government customers with a qualified AT&T wireless service agreement that includes, without limitation, the Additional Service and Equipment-Related Terms found at [att.com/abs-additional-terms](http://att.com/abs-additional-terms) (**Business Agreement**). For Corporate Responsibility User (**CRU**) lines of service only. Requires a compatible device (sold separately). **All AT&T service is subject to the terms and conditions of your Business Agreement.** **PRICING:** Advertised prices include (for plan) a monthly charge for talk & text services and (for feature) a monthly charge for data service. **OTHER RESTRICTIONS & FEES:** Activation/upgrade fee per line (up to \$50) & deposit may apply. Credit approval may be required. If you purchased a device that requires a service commitment, an **Early Termination/Cancellation Fee** applies if you cancel service after the first 30 days and before the commitment ends. See [att.com/returns](http://att.com/returns) for details on what fee may apply for your device and how the fee is prorated over time. AT&T reserves the right to suspend or terminate service to your account, place any noncomplying device on an appropriate plan and/or add any other required element of a plan. **ADDITIONAL MONTHLY FEES & TAXES:** Apply per CRU line & include Regulatory Cost Recovery Charge (up to \$1.50), Administrative Fee (\$1.99), Property Tax Allotment surcharge (\$0.20 to \$0.45) & other AT&T fees which are not government-required surcharges, as well as taxes. **COVERAGE:** Coverage may include areas that are served by unaffiliated carriers & not on AT&T's owned and operated network (off-net). Coverage is subject to change without notice. **OFF-NET USAGE:** International and domestic off-net (roaming) data usage may be at 2G speeds. **Excessive Off-Net Usage:** You get an off-net (roaming) usage allowance for each service (see Business Agreement). If you exceed the allowance, your service(s) may be restricted or terminated. **MISCELLANEOUS:** Plan and feature are not available online at [att.com/smallbusiness](http://att.com/smallbusiness) or [att.com/myatt](http://att.com/myatt). **International Roaming:** Monthly prices do not apply to talk, text or data usage while roaming outside the Domestic Coverage Area (or, for compatible Series 5 or higher Apple wearables, outside the Domestic Coverage Area, Mexico and Canada). International usage will be charged at pay-per-use roaming rates, found at [att.com/intlppurates](http://att.com/intlppurates), unless an international package is added. For available international options, visit [att.com/internationalforbiz](http://att.com/internationalforbiz). Not all devices may be eligible for international roaming service. **Business Agreement Discounts:** Plan and feature are not eligible for any CRU service discount described in the Business Agreement.

**AT&T VOICE PLAN FOR WEARABLES:** Requires the 250 Data for Wearables feature (sold separately). **TALK:** For calls within the United States (**Domestic Coverage Area** or **DCA**) only; series 5 and higher Apple wearables can also make calls within Mexico and Canada (OS update may be required). Your allowance of minutes will be depleted (as applicable, depending on the type and time of the call) in the following order: Mobile-to-Mobile Minutes, then your included Night & Weekend Minutes allowance, and then your included Anytime Minutes (**Anytime Minute Allowance**). You may be charged for calls to special or premium service numbers. **Mobile-to-Mobile Minutes:** For use only when directly dialing or receiving calls from any other AT&T wireless phone number within the DCA. Mobile-to-Mobile Minutes may not be used for interconnection to other networks or calls to directory assistance, AT&T voicemail, and call routing/forwarding numbers. **Night & Weekend Minutes:** For use in the DCA from 9 pm to 5:59 am Mon.-Fri.; weekends 9 pm Fri. to 5:59 am Mon. **Voice Overage:** If you exceed your plan's domestic Anytime Minute Allowance during your billing period, you will be charged automatically for additional minutes of use at a pay-per-use rate of \$0.45 per minute. **Calls to Canada and Mexico:** Plans for compatible Apple wearables also include International Long Distance (ILD) calls from the DCA to Canada and Mexico; series 5 and higher Apple wearables also have ILD calling from Canada and Mexico to the DCA, Mexico and Canada (OS update may be required). Minutes of use will be drawn from your plan's domestic Anytime Minute Allowance and overage charges may apply. **ILD Calling to Other Countries:** ILD pay-per-use rates apply to calls from the DCA to other countries (or, for series 5 and higher Apple wearables, from the DCA, Canada and Mexico to countries other than the DCA, Canada or Mexico) unless you have an ILD calling package. For rates, see [att.com/intlcalling](http://att.com/intlcalling). **MESSAGING:** Compatible device required. Includes text, picture, and video messages up to 1MB in size sent or received to numbers within the DCA; series 5 and higher Apple wearables can also send or receive such messages within and between Mexico and Canada (OS update may be required). Messages will be drawn from your plan's domestic messaging allowance and overage charges may apply. **Overage Charges:** If you exceed your plan's domestic messaging allowance during your billing period, you will be charged automatically for additional messages at a pay-per-use rate of \$0.05 per message. **Messaging to Other Countries:** ILD pay-per-use rates apply to messages sent from the DCA to numbers in countries other than the DCA (or, for Series 5 and higher Apple wearables, sent from the DCA, Mexico and Canada to numbers in countries other than the DCA, Mexico and Canada). ILD messaging pay-per-use rates: text messages – \$0.25 per message; picture/video messages – \$0.50 per message. For more information about texting to other countries, see [att.com/text2world](http://att.com/text2world). Messages sent through applications may incur data or other charges.

**250MB DATA FOR WEARABLES FEATURE:** Requires the AT&T Voice Plan for Wearables (sold separately). **DATA:** For use in the DCA; Series 5 and higher Apple wearables can also use plan data in Mexico and Canada (OS update may be required). Usage will be drawn from your plan's domestic data allowance and overage charges may apply. All AT&T service is subject to AT&T network management practices. See [att.com/broadbandinfo](http://att.com/broadbandinfo) for details. **Data Overage:** If you exceed the total amount of data in your plan during your billing period, additional data will automatically be provided in increments of 250MB at \$5 per 250MB. All data allowances, including overages, must be used in the billing period provided, or they will be forfeited.

**All offers, promotions, pricing, terms, restrictions & conditions are subject to change & may be modified, discontinued or terminated at any time without notice.**
