AT&T Business Unlimited℠ Enhanced with Private Wi-Fi includes access to the Private Wi-Fi app*

After 75GB of data usage, AT&T may slow speeds.

AT&T Business Unlimited Enhanced with Private Wi-Fi plans feature:

• Unlimited domestic data, talk and text on up to 10 eligible devices – after 75GB of data usage, AT&T may slow speeds during network congestion.
• Unlimited talk and text to Canada and Mexico1
• No roaming charges in Canada and Mexico2
• 20GB tethering/mobile hotspot usage per line – after 20GB, tethering/mobile hotspot speed is capped at 128Kbps
• High-Definition video streaming (with Stream Saver turned off)3
• AutoPay discounts – $10/mo. for a single line plan and $20/month for a multi-line plan4

*Requires compatible smartphone & download of Private Wi-Fi app. Other restrictions apply.

1 Pay-per-use rates apply to calls made to other countries.

2 Compatible device required. Roaming usage may be at 2G speeds. Other restrictions apply.

3 Plan includes Stream Saver, which allows video to stream in Standard Definition (SD) quality (max 1.5Mbps, about 480p). AT&T will turn it on for you, and you can turn it off anytime. Ability to stream and video resolution may vary and be affected by other factors. Other restrictions apply.

4 Must be active & enrolled in AT&T AutoPay. Discount starts in 1 to 2 bill cycles.
Plans also feature:

Private Wi-Fi

Connect smartphones to unencrypted public Wi-Fi with greater confidence, with two security features available through the Private Wi-Fi app.*

- Private Wi-Fi VPN transforms open Wi-Fi from unencrypted to encrypted by automatically creating a VPN as soon as your smartphone is connected.
- Private Wi-Fi Alerts provide near real-time threat detection and alerts whenever a Wi-Fi vulnerability is detected on your smartphone, so you can disconnect to protect your business.

AT&T Collaborate – Enhanced Mobile

Eligible employees can better connect with your customers using the Enhanced Mobile app on their compatible smartphone to get features that are traditionally available on office or business desk phones. Please note that, effective December 18, 2020, Enhanced Mobile is not available to new users.***

- Auto Attendant – Create custom announcements with the ability to route calls based on time of day and day of week.
- Single outbound number ID – Have your business phone number appear on the Caller ID for your eligible users. Customers see one consistent number regardless of caller.
- Hunt groups – Route and re-route calls to a defined list, sequentially or simultaneously.
- Business Class Voicemail – Voicemail service accessed through the AT&T Enhanced Mobile App, with the option to receive emails with attached audio files of recorded Voicemail message.***

* Requires a smartphone operating on a compatible iOS or Android operating system. Not available out the Domestic Coverage Area.

** Your bill will show a charge for Enhanced Mobile of $14.95 per line, along with a credit in the same amount for a net cost of $0. If you switch a VoLTE-enabled line from AT&T Business Unlimited Enhanced with Private Wi-Fi plan to another post-paid plan you will continue to have Enhanced Mobile on that line and be charged $14.95 per month, with no credit, until canceled. Contact AT&T directly to remove the Enhanced Mobile service.

*** Effective December 18, 2020, Enhanced Mobile will be available only to your existing CRU lines that used the service prior to such date. However, the voicemail and routing features will not be available to such existing users through the mobile app effective December 31, 2020, and Enhanced Mobile will be discontinued in its entirety on December 31, 2021 and removed automatically.

For all plans, add $25/mo. for each smartphone with a 2-year service commitment⁴.

Taxes, fees & other monthly charges extra. THESE PLANS ARE RETIRED and not available to new customers.

¹ Monthly Plan Charges: $55/mo. for single line plan; $95/mo. for multi-line plan.

² Plan pricing: The single and multi-line plan monthly charges shown in table (a) assume you are activating 1-10 line(s) for VoLTE-enabled smartphone(s) that are purchased at full price, on a qualified installment agreement, bring your own, or on a month-to-month term, and (b) include (i) the applicable monthly plan charge (see footnote 1) and (ii) the applicable discounted monthly access charge(s) (see footnote 4 below), less (iii) the applicable $10 single line or $20 multi-line AutoPay discount, which starts within 2 bills, and the applicable $15, $35 or $40 multiple phone line discount (see plan terms on pages 3-6 for more details).

³ May not be used with 5G or 5G+ devices.

⁴ Device Access Charges: If you activate a 3G smartphone that has a 2-year service commitment, the monthly access charge for access to unlimited talk, text, and data is $60/mo.; if you activate a 4G/LTE smartphone that has a 2-year service commitment, the monthly access charge for access to unlimited talk, text, and data is $70/mo. Smartphone Access Charge Discount: If you activate a smartphone that is purchased at full price, on a qualified installment agreement, bring your own, or on a month-to-month term, you are eligible for a $25/mo. discount on the applicable standard $60/mo. or $70/mo. smartphone access charge above. If you qualify for this discount, it will be applied as a credit on your bill. Non-VoLTE Access Charge Discount: In addition, the applicable 4G/LTE smartphone access charge (either standard $70/mo. or discounted $45/mo.) or 4G/LTE feature phone access charge ($45/mo.) is discounted by $10/mo. if the phone is not VoLTE-enabled. If you qualify for this discount, it will be applied as a credit on your bill.

⁵ Up to the applicable 1 device (single line plan) or 10 device (multi-line plan) cap.

⁶ Single line customers adding a tablet require a $20 AT&T Unlimited Tablet plan.

⁷ Basic and quick messaging phones only.

⁸ Select Wireless Home Phone devices only.

⁹ Single line customers adding a wearable require a $10 AT&T Unlimited Wearable plan.

¹⁰ Stream Saver not included. HARMAN Spark for use in vehicle only. Wi-Fi hotspot for up to 8 eligible devices. Additional terms & conditions apply.
AT&T Business Unlimited℠ Enhanced with Private Wi-Fi

Coverage nationwide & beyond

THIS PLAN IS RETIRED. Customers with an existing AT&T Business Unlimited Enhanced with Private Wi-Fi plan may still add new lines up to the plan's line limit, but customers seeking to add a new plan must choose one of AT&T’s current wireless offerings. In addition, effective December 18, 2020, AT&T Collaborate - Enhanced Mobile will not be available to new users on the plan, and, effective December 31, 2021, Enhanced Mobile will be retired in its entirety and not available to any users.

AT&T BUSINESS UNLIMITED℠ ENHANCED WITH PRIVATE WI-FI PLANS: Customers with AT&T Business Unlimited Enhanced with Private Wi-Fi plans may add or cancel lines. Customers seeking to make any other changes must choose another plan from AT&T’s current wireless plans. For service only. Includes monthly plan charge per device monthly access charges. Eligibility: Available only to business customers with a qualified wireless service agreement including, without limitation, the Additional Service and Equipment Related Terms found at att.com/abs-addtl-terms (Business Agreement). For Corporate Responsibility User (CRU) lines only. Plans include access to Private Wi-Fi Application (for eligible smartphone lines in DCA only) and AT&T Collaborate™ - Enhanced Mobile. Pricing: Monthly plan charge & per device access charges apply. Eligible customers can get a smartphone access charge discount, a non-VoLTE phone access charge discount, a discount for having AutoPay, and/or a multi-smartphone line discount. If eligible, each discount will be applied via a monthly bill credit. Smartphone Access Charge Discount: The standard $60 or $70 per month smartphone access charge is discounted by $25 per month for each smartphone that is purchased at full price, on a qualified installment agreement, bring your own, or on a month-to-month term. You will lose any available discount if you upgrade to a new smartphone with a 2-year service commitment. Non-VoLTE Phone Access Charge Discount: The monthly access charges for VoLTE-capable smartphones and feature phones that are not VoLTE-enabled are discounted by $10 per month. AutoPay Discount: Monthly discount off of plan charge ($10 off single line plans and $20 off multi-line plans) when active and enrolled in AutoPay. Discount starts w/in 2 bill cycles. Pay full plan cost (up to $95/mo.) plus per device access charges until discount starts. Multiple Phone Line Discount: Monthly $15 (3 phone lines), $40 (4 phone lines) or $35 ($ or more phone lines) discount applied to your multi-line plan charge. Devices: Eligible devices sold separately; plans may not be used with AT&T Wireless Internet, select Wireless Home Phone devices, dedicated mobile hotspot devices, select laptop air cards, or any 5G or 5G+ devices. Max. 10 eligible devices per plan. Limit of 100 plans per billing account number. Installment plan charges and other device purchase costs are extra. A limit on the number of financed devices per wireless account may apply. Connected Wearables: For a list of connected wearables, visit att.com/wearableslist. HARMAN SPARK: Device restrictions: For use in eligible vehicles only. Use of your device or SIM card outside of your vehicle or device is prohibited and AT&T may terminate your service. Mobile App: for iOS version 9.0 & higher and Android version 6.0 & higher. Telematics Features: Provided by third parties. Customers must agree to additional app terms and conditions prior to use. UNLIMITED DATA: For use in the United States (Domestic Coverage Area or DCA). Data Restrictions: After 75GB of data usage on a line in a bill cycle, for the remainder of the cycle you may temporarily experience reduced speeds on that line during times of network congestion. VIDEO STREAMING: Includes Stream Saver feature, which allows you to stream higher definition video in Standard Definition on compatible devices (unless video provider has opted out). Stream Saver will not recognize all video content. Ability to stream and video resolution may vary and be affected by other factors. To enjoy access to High Definition video on compatible devices and when available, you can turn Stream Saver off or back on at any time through your account management portal (att.com/myatt or att.com/premier, as applicable) or by calling 611. Restrictions apply. Details at att.com/streamsafer. TETHERING/MOBILE HOTSPOT: Requires compatible device. Includes up to 20GB per line per month. After 20GB, tethering speed slowed to a max of 128 Kbps for the rest of the bill cycle except for Connected Cars. After this, all tethering data usage will be impacted and not fully functional. UNLIMITED TALK: Phones only. Includes calls w/in DCA. Service may be terminated for excessive roaming (see Business Agreement). Unlimited Talk to Canada and Mexico: Phones only. Includes unlimited International Long Distance (ILD) calling from DCA to Mexico and Canada. You may be charged for calls to special or
premium service numbers. Calls to Other Countries: Includes ILD service that can be used to call countries other than Canada and Mexico. Per minute pay-per-use rates apply unless you have an ILD service package. Rates subject to change w/out notice. For rates, see att.com/intcalling. UNLIMITED TEXT: Standard Messaging – Phones only. Requires compatible device. Includes unlimited messages up to 1MB in size within DCA to more than 190 countries for text messages and 120 countries for picture and video messages. AT&T may add, change, and remove included countries at its discretion w/out notice. Messages sent through applications may incur data or other charges. See att.com/text2world for details. Advanced Messaging – Sender and recipient(s) must be AT&T postpaid wireless customers with HD Voice accounts, capable devices, have their devices turned on and be within the AT&T-owned and operated DCA (excludes third-party coverage). Includes unlimited messages up to 10MB in size. Other restrictions apply and can be found at att.com/advancedmessaging. AT&T COLLABORATE™ – ENHANCED MOBILE: Service will be restricted effective December 18, 2020 and discontinued effective December 31, 2021. Enables business voice features that are traditionally available on office or business desk phones for CRUs with a VoLTE-enabled device while on the AT&T VoLTE network. Pricing: With respect to eligible CRU lines, your bill will show a charge for the feature of $14.95 per line, along with a credit in the same amount for a net cost of $0. If you switch a VoLTE-enabled line from an AT&T Business Unlimited Enhanced with Private Wi-Fi Plan to another post-paid plan, you will continue to have Enhanced Mobile service on that line and be charged $14.95 per month, with no credit, until cancelled. The monthly charge for Enhanced Mobile will appear as a separate line item on each applicable CRU line. Contact AT&T at 800-331-0500 to remove Enhanced Mobile service. Coverage: Enhanced Mobile is available only on the AT&T VoLTE network in the DCA and is primarily for use in the DCA; Enhanced Mobile may not be accessible outside DCA, but if accessed, international roaming charges will apply. Web Portal: Allows Customer’s telecommunications manager (TCM) to manage user profiles, assign telephone numbers and features to CRUs, reset passwords, create company directories, and perform other administrative tasks. Not all web browsers may support the Enhanced Mobile web portal. Limitations: Enhanced Mobile is not compatible with AT&T prepay service, AT&T NumberSync, and AT&T Mobile Call Recording. Content: AT&T reserves the right to terminate the Auto Attendant capability if AT&T determines in its sole discretion that Customer’s content used with Auto Attendant may adversely affect AT&T’s public image or damage AT&T’s reputation or goodwill. Customer represents and warrants that (1) it holds all rights necessary to use the content with Enhanced Mobile, and (2) its content will at all times comply in full with any and all legal and regulatory requirements. Customer shall indemnify and hold AT&T harmless for any failure to satisfy any of the terms related to its content. Customer acknowledges and agrees that AT&T is not responsible for any content Customer transmits, stores, records or plays using Enhanced Mobile. Concierge Service: AT&T will provide training and initial configuration assistance to Customer’s TCM at no charge to Customer on the use of Enhanced Mobile and the web portal for the first thirty (30) days after the service is provisioned. Thereafter, AT&T will provide such training and assistance for an hourly charge. Further Details: See att.com/enhancedmobile for complete list of features and other details. PRIVATE WI-FI APPLICATION (PWF App): Requires a smartphone operating on a compatible iOS or Android operating system. PWF App may result in increased battery usage by your device. Certain PWF App features are available on a subscription basis only. Private Wi-Fi is provided on an “as-is” basis with no warranties, and AT&T and its suppliers make no representations of any kind, express or implied, with respect to Private Wi-Fi. Limitations: Available only within the DCA. Private Wi-Fi VPN: Private Wi-Fi VPN establishes a highly secure proxy within your smartphone to encrypt unencrypted web and application data traffic as it travels over open Wi-Fi hotspots. Private Wi-Fi VPN does not guarantee complete security for your data and may be blocked by certain video streaming apps, in which case the data will bypass or disconnect the VPN connection. In order to ensure the service is properly provisioned, you may be requested to enable the “Location” feature on your smartphone. You must also separately give permission to allow the Private Wi-Fi connection to be established. Wi-Fi Alerts: Wi-Fi Alerts notifies you when a Wi-Fi network you join with your smartphone appears to be risky or under attack. Wi-Fi Alerts automatically detects when your smartphone connects to a new network and runs a series of checks on that network to help ensure that it is behaving properly. If the network is deemed risky, the app will provide you with instructions detailing how to disconnect from the network. MISCELLANEOUS: Business Agreement Discounts: Plans may not be eligible for additional offers, credits or discounts described in the Business Agreement or otherwise. Termination of Connected Car Service for CRUs: Service will be provided to each connected vehicle until such time as: (a) Customer terminates the service for the vehicle; (b) ownership of the vehicle is transferred to a third party and the third party or the vehicle’s manufacturer requests to establish service for the vehicle; or (c) AT&T terminates connected vehicle service by exercising its rights set forth elsewhere in the Business Agreement. AT&T will provide notice to Customer of termination of connected vehicle service to any vehicle within 24 hours of termination of service. Customer will have the responsibility of promptly terminating service on any vehicle for which it transfers title and Customer will bear all costs for the service until such time as the service is terminated pursuant to this termination provision. Transfer of ownership will be deemed to occur in any of the customary ways such transactions are conducted in the place where the vehicle is located, including, but not limited to, transfer of title for the vehicle to a third party. Customer acknowledges and agrees that: (a) AT&T has no obligation whatsoever to determine the facts or circumstances pertaining to any transfer of ownership for any vehicle; (b) AT&T may reasonably rely upon the request of a third party or the manufacturer of a vehicle as a basis to terminate service for that vehicle; and (c) Customer will hold harmless, and not assert any claims against, AT&T regarding any conveyance of any vehicle to which service is provided. ROAM NORTH AMERICA FEATURE: Allows plan data, talk & text usage. Data: allows domestic plan data usage in Mexico/
Canada. Talk: Phones only. Includes calls within Mexico/Canada and from Mexico/Canada to the U.S. (collectively with Mexico & Canada, the North America Coverage Area or NACA). You may be charged for calls to special or premium service numbers.

Calls to other countries: International long distance pay-per-use rates apply to calls from Mexico or Canada to countries outside NACA unless you have an ILD service package. Rates subject to change w/out notice. For rates, see att.com/intcalling.

Text: Standard Messaging – Phones only. Includes unlimited messages up to 1MB in size within Mexico/Canada and from Mexico/Canada to more than 190 countries for text messages and 120 countries for picture and video messages. AT&T may add, change, and remove included countries at its discretion without notice. Messages sent through applications may incur data or other charges. Visit att.com/text2world for details. Advanced Messaging – not available for use in Mexico or Canada. Device Restrictions: Service not available on select connected device, wearables and connected cars.

AT&T UNLIMITED TABLET & WEARABLE PLANS: Provides talk, text and/or data based on device type. Requires a single line eligible unlimited plan (Single Line Plan) on the same wireless account. Multi-line plans are ineligible. If you become ineligible, AT&T may move you to a different plan with same or lower monthly charge. Once moved, you can move to any currently available plan at any time. Restrictions: Eligible tablets, connected wearables & cameras only (sold separately). Select locations only. Plans include same speeds, terms, conditions, restrictions and limitations as your Single Line Plan except that after only 22GB of data usage on your tablet/wearable line in a bill cycle, AT&T may slow the data on that line during periods of network congestion for the remainder of that cycle & your tablet plan only includes up to 10GB tethering per line per month (after 10GB, tethering speed will be slowed to a max of 128Kbps for the rest of the bill cycle). Pricing: Monthly $10 plan charge for wearables & $20 plan charge for tablets & cameras (in addition to monthly charges for Single Line Plan). Limits: Only 2 of these plans can be associated with your Single Line Plan.

All offers, promotions, pricing, terms, restrictions & conditions subject to change & may be modified, discontinued or terminated at any time without notice.

GENERAL WIRELESS SERVICE TERMS: Subject to applicable Business Agreement. Service is not for resale & is intended for use primarily within DCA. If AT&T does not enforce any of the terms or restrictions of its service offerings, it is not a waiver of the right to enforce those terms or restrictions. AT&T reserves the rights to enforce all terms and restrictions at any time. If AT&T determines your use of services violates any of the applicable terms or policies found in the applicable Business Agreement, we may in our sole discretion suspend, modify, terminate or restrict your service. Coverage: Coverage map shows high level approximation of areas included in and out of plan. For the most current coverage info for your area, check wireless.att.com/coverageviewer. Coverage may include areas that are served by unaffiliated carriers & not on AT&T’s owned and operated network (off-net). Coverage is subject to change without notice. Network Management: All AT&T service is subject to AT&T network management policies. See att.com/broadbandinfo for details. Off-Net Usage: International and domestic off-net (roaming) data usage may be at 2G speeds. Excessive Off-Net Usage: You get an off-net (roaming) usage allowance for each service. If you exceed the allowance, your service(s) may be restricted or terminated. Other Restrictions & Charges: Other restrictions apply and may result in service termination. If you purchased a device that requires a term commitment, an Early Termination/Cancellation Fee applies if you cancel service after the first 30 days and before your term ends. See att.com/equipmentETF for details on what fee may apply for your device and how the fee is prorated over time. Activation upgrade fee per line (up to $45) and deposit may apply. Credit approval may be required. AT&T reserves the right to suspend or terminate service to your account, place any noncomplying device on an appropriate plan, and/or add any other required element of a plan. Other Monthly Charges: Apply per line & may include taxes, federal/state universal service charges, Regulatory Cost Recovery Charge (up to $1.50), gross receipts surcharge, Administrative Fee, and other government assessments (including without limitation a Property Tax Allotment surcharge of $0.20 – $0.45 applied per CRU’s assigned number) which are not government-required charges. Additional one-time charges may apply. See att.com/mobilityfees for more details on other charges. For full service terms and conditions, see the Business Agreement.
