Each Solution is available to eligible government customers with a qualified AT&T agreement. For government customers, any Additional Product Terms not allowable under applicable law will not apply, and the Qualified Agreement will control in the event of any material conflict between the Qualified Agreement and the Additional Product Terms. Subject to the limitations of the previous sentence for government customers, Customer and its users must accept the EULA and/or TOS prior to initial use, and if Customer and its users do not accept the Additional Product Terms, they must not use the Solution.
