What to know about AT&T Wireless Internet for Business:

- All connected devices (via Wi-Fi or ethernet) will use the data included in your plan.
- Data & Voice plans include Stream Saver – stream video in Standard Definition quality.*
- Some devices (such as alarms, monitoring machines and credit card machines) may require a traditional landline.
- Required device includes a backup battery for limited use during a power outage, which requires a corded phone to use. You are responsible for maintenance/replacement of the backup battery.

* Plan includes Stream Saver, which allows you to stream in SD. AT&T will turn it on for you. You can turn it off at any time to stream in High Definition when available. Restrictions apply. See att.com/stream saver for more information.
