Take your business — and your business unlimited plan — to new heights. **AT&T Business UnlimitedSM Preferred** includes **AT&T Business Fast Track**, a feature that prioritizes your eligible business data originating on and traversing over the AT&T-owned domestic 4G LTE network, offering you a truly dynamic network experience.* You can also add your 5G+ capable devices to the plan to access the **AT&T 5G mmWave (5G+) network**, where available, which provides lower latency and ultra-fast speeds.** And the plan includes **AT&T Call Protect Basic**, which identifies potential spam and automatically blocks suspected fraudulent calls.*** Get it all with our AT&T Business Unlimited Preferred plan.

* Formerly known as AT&T Dynamic Traffic Management. Compatible device required. Feature does not prioritize your eligible data traffic ahead of all other data traffic, as other data traffic may receive a similar or higher quality of service. Not available on the 5G+ network. Other restrictions apply.

** **5G+ coverage is not available in most areas; it is only available in very limited parts of specific cities. Other restrictions apply. See att.com/5Gforyou for details.**

*** Compatible smartphone required. Other restrictions apply.

AT&T Business Unlimited Preferred plans also feature:

- Unlimited domestic data, talk & text on up to 10 eligible devices - no overage charges
- Unlimited talk & text to Canada and Mexico¹
- No roaming charges in Canada and Mexico²
- 100GB tethering/mobile hotspot usage per line - after 100GB, tethering/hotspot speed is capped at 128Kbps.
- High-Definition video streaming, and in 4K UHD if qualify³
- AutoPay discounts – \$10/mo. for a single line plan & \$20/mo. for a multi-line plan⁴

¹ Pay-per-use rates apply to calls made to other countries.

² Compatible device required. Roaming usage may be at 2G speeds. Additional restrictions apply.

³ Access High Definition (about 1080p) and 4K UHD (about 2160p) video streaming if and when each are available. Requires eligible hardware and video source. Ability to stream and video resolution may vary and be affected by other factors. Other restrictions apply.

⁴ Must be active & enrolled in AT&T AutoPay. Discount starts in 1 to 2 bill cycles.

AT&T Business Fast Track

Feature assigns a higher priority to your eligible business data originating on and traversing the AT&T-owned domestic 4G LTE network during times of congestion.*

- Always-on feature – no action required by the user*
- Enables more predictable wireless application performance
- Can be used with a variety of business solutions including:
 - » AT&T Enhanced Push-to-Talk
 - » AT&T Workforce Management

* Req's a compatible device. Does not prioritize data traffic ahead of all other data traffic (which may receive a similar or higher priority level) or provide priority network access or preemption capabilities. Other restr's apply.

Access to the AT&T 5G+ network**

Plan includes access to the AT&T 5G mmWave network for your compatible 5G+ devices.

** **Not avail. in most areas.** 5G+ coverage is avail. only in very limited parts of specific cities. See att.com/5Gforyou for details. Other restr's apply.

Private Wi-Fi

Connect smartphones to unencrypted public Wi-Fi with greater confidence, with two security features available through the Private Wi-Fi app.***

- Private Wi-Fi VPN transforms open Wi-Fi from unencrypted to encrypted by automatically creating a VPN as soon as your smartphone is connected.
- Private Wi-Fi Alerts provide near real-time threat detection and alerts whenever a Wi-Fi vulnerability is detected on your smartphone, so you can disconnect to protect your business.

*** Req's a smartphone operating on a compatible iOS or Android operating system. Not avail. outside the Domestic Coverage Area.

AT&T Call Protect Basic

Ban the Spam with AT&T Call Protect Basic, a new service designed to give your users more control over fraudulent and unwanted calls.****

- Automatically detects and blocks calls from likely fraudsters.
- Alerts users to suspected telemarketer and spam calls
- Enables users to create and manage a personal block list by using the AT&T Call Protect app.

**** Req's compatible VoLTE-enabled iPhone 6 or newer operating on iOS version 9.3 or higher or AT&T HD Voice-enabled Android smartphone. May not identify all spam or fraud calls. Other restr's apply. See att.com/securitycallprotect for details.

AT&T Business Fast Track is only available for use on the AT&T-owned domestic 4G LTE network.

THESE PLANS ARE RETIRED. Customers with these plans may only add or cancel lines. Customers seeking to make any other changes must choose another plan from AT&T's current wireless plans.

AT&T BUSINESS UNLIMITEDSM BASIC WITH PRIVATE WI-FI PLANS: DATA RESTRICTIONS: For all data usage, you may temporarily experience reduced speeds on these line(s) during times of network congestion. **VIDEO STREAMING:** Plan is not eligible for Stream Saver. For content we can identify as video, wireless streaming speed will be slowed to a max of 1.5 Mbps, at Standard Definition quality (about 480p). Video speed is capped at this amount, regardless of the network device is on (for example, 4G LTE). Ability to stream, video resolution, and other data usage (including speed) are not guaranteed, may vary, and be affected by a variety of other factors. Other restrictions apply. Tethering/mobile hotspot use prohibited except for Connected Cars.

AT&T BUSINESS UNLIMITEDSM PLUS WITH PRIVATE WI-FI PLANS: DATA RESTRICTIONS: After 22GB of data usage on a line in a bill cycle, for the remainder of the cycle you may temporarily experience reduced speeds on that line during times of network congestion. **VIDEO STREAMING:** Includes Stream Saver feature, which allows you to stream higher definition video in Standard Definition on compatible devices (unless video provider has opted out). Stream Saver will not recognize all video content. Ability to stream and video resolution may vary and be affected by other factors. To enjoy access to High Definition video on compatible devices and when available, you can turn Stream Saver off or back on at any time through your account management portal (att.com/myatt or att.com/premier, as applicable) or by calling 611. Restrictions apply. Details at att.com/stream saver. **TETHERING/MOBILE HOTSPOT:** Requires compatible device. Includes up to 15GB per line per month. After 15GB, tethering speed slowed to a max of 128Kbps for the rest of the bill cycle except for Connected Cars. After this, all tethering data usage will be impacted and not fully functional.

AT&T BUSINESS UNLIMITEDSM PREFERRED PLANS: Includes, for compatible devices: (a) access to the AT&T 5G mmWave (5G+) network, and (b) AT&T Business Fast Track, which prioritizes your eligible business data originating on and traversing over the AT&T-owned domestic 4G LTE network. **HD and 4K UHD VIDEO STREAMING:** Enjoy access to HD (about 1080p) and 4K UHD (about 2160p) video streaming if and when each is available. Requires eligible hardware and video source. Ability to stream and video resolution may vary, may be affected by network congestion and other factors, and is not guaranteed. Other restrictions apply. **TETHERING/MOBILE HOTSPOT:** Requires compatible device. Includes up to 100GB per line per month. After 100GB, tethering speed slowed to a max of 128Kbps for the rest of the bill cycle except for Connected Cars. After this, all tethering data usage will be impacted and not fully functional. **5G+ NETWORK ACCESS & COVERAGE:** Requires a compatible 5G+ device. **5G+ coverage is not available in most areas; it is available only in very limited parts of specific cities.** See att.com/5Gforyou for details. Device will display 5G+ coverage indicator when used in an area where 5G+ coverage is available. 5G+ service is available outdoors within line-of-sight of cell site only. Other restrictions apply. **AT&T BUSINESS FAST TRACK (formerly AT&T Dynamic Traffic Management):** Feature uses "always on" quality of service network technology to provide eligible CRU lines with a differentiated (i.e., enhanced versus "best effort") network experience for business data traffic originated on and traversing entirely over the AT&T-owned domestic 4G LTE network (i.e., excluding microcells, AT&T Wi-Fi service, roaming partners' networks, and the AT&T 5G+ network) during times of congestion. **Device Requirements:** Each line requires a 4G LTE smartphone or tablet operating on a compatible Android or iOS operating system; excludes BlackBerry devices. **Limitations:** AT&T Business Fast Track does not prioritize CRU's data traffic ahead of all other data traffic as other data traffic may receive a similar or higher quality of service. Feature is intended for business application data traffic. **Feature does not provide priority access to available network resources or any preemption capabilities. Termination or Suspension:** AT&T reserves the right to terminate, suspend or restrict the feature if use is inconsistent with its intended use or the Business Agreement.

ALL PLANS: Eligibility: Available only to business customers with a qualified wireless service agreement including, without limitation, the Additional Service and Equipment Related Terms found at att.com/abs-addtl-terms (Business Agreement). For Corporate Responsibility User (CRU) lines only. All plans include access to Private Wi-Fi Application (for eligible smartphone lines in DCA only) & AT&T Call Protect Basic (for eligible smartphone lines). **PRICING:** Monthly plan charge for unlimited talk, text, and data & per device access charges for access to such services apply. Eligible customers can get a smartphone access charge discount, a discount for having AutoPay, and/or a multiple phone line discount. If eligible, each discount will be applied via a monthly bill credit. **Smartphone Access Charge Discount:** The standard \$60 or \$70 per month (depending on your plan) smartphone access charge is discounted by \$25 per month for each smartphone that is purchased at full price, on a qualified installment agreement, bring your own, or on a month-to-month term. You will lose any available discount if you upgrade to a new smartphone with a 2-year service commitment. **AutoPay Discount:** Monthly discount off of plan charge (\$10 off single line plans & \$20 off multi-line plans) when active & enrolled in AutoPay. Discount starts w/in 2 bill cycles. Pay full plan cost (up to \$95/month) plus per device access charges until discount starts. **Multiple Phone Line Discount:** For AT&T Business Unlimited Basic with Private Wi-Fi plans – monthly \$15 (3 phone lines) or \$35 (4 or more phone lines) discount applied to your multi-line plan charge. For AT&T Business Unlimited Plus with Private Wi-Fi, & AT&T Business Unlimited Preferred plans – monthly \$15 (3 phone lines), \$40 (4 phone lines) or \$35 (5 or more phone lines) discount applied to your multi-line plan charge. **DEVICES:** Select devices only (sold separately); max. 10 devices per plan. Limit of 100 plans per billing account number. Installment plan charges and other device purchase costs are extra. A limit on the number of financed devices per wireless account may apply. **AT&T Wireless Internet, select Wireless Home Phone devices, dedicated mobile hotspot devices, and select laptop air cards are not eligible for these plans. Connected Wearables:** For a list of connected wearables, visit att.com/wearableslist. **HARMAN SPARK: Device restrictions:** For use in eligible vehicles only. Use of your device or SIM card outside of your vehicle or device is prohibited and AT&T may

terminate your service. **Mobile App:** for iOS version 9.0 & higher and Android version 6.0 & higher. **Telematics Features:** Provided by third parties. Customers must agree to additional app terms and conditions prior to use. **PRIVATE WI-FI APPLICATION (PWF App):** Requires a smartphone operating on a compatible iOS or Android operating system. CRUs must download the PWF App onto their compatible smartphones from generally available app stores, such as Apple iTunes® and Google Play®. The PWF App requires Customer and individual CRUs to accept the terms of a EULA prior to use. The terms of the EULA are located at att.com/privatewifiterms. PWF App may result in increased battery usage by your device. Certain PWF App features are available on a subscription basis only. Private Wi-Fi is provided on an "as-is" basis with no warranties, and AT&T and its suppliers make no representations of any kind, express or implied, with respect to Private Wi-Fi. **Limitations:** Available only within the United States (**Domestic Coverage Area or DCA**). **Private Wi-Fi VPN:** Private Wi-Fi VPN establishes a highly secure proxy within your smartphone to encrypt unencrypted web and application data traffic as it travels over open Wi-Fi hotspots. Private Wi-Fi VPN does not guarantee complete security for your data and may be blocked by certain video streaming apps, in which case the data will bypass or disconnect the VPN connection. To ensure the service is properly provisioned, you may be requested to enable the "Location" feature on your smartphone. You must also separately give permission to allow the Private Wi-Fi VPN connection to be established. **Wi-Fi Alerts:** Wi-Fi Alerts notifies you when a Wi-Fi network you join with your smartphone appears to be risky or under attack. Wi-Fi Alerts automatically detects when your smartphone connects to a new network and runs a series of checks on that network to help ensure that it is behaving properly. If the network is deemed risky, the PWF App will provide you with instructions detailing how to disconnect from the network. **AT&T CALL PROTECT BASIC:** provides network-based and application-based features that help manage unwanted calls. AT&T Call Protect Basic (a) automatically blocks calls AT&T determines to be spam/nuisance, fraud/scam, or neither/neutral using data analytics and network monitoring, as well as reports from customers, and (b) provides suspected spam alerts. AT&T will activate the feature for you. You can opt-out at any time by using your online account management portal (att.com/myatt or att.com/premier, as applicable) or contacting your sales representative. **Device Requirements:** Each line requires a compatible VoLTE-enabled smartphone (either an iPhone 6 or newer operating on iOS version 9.3 or higher or an AT&T HD Voice-enabled Android smartphone). Smartphones sold by other carriers or direct from device manufacturers may not be compatible. **AT&T Call Protect App (CP App):** Allows CRUs to adjust call blocking settings to establish and manage a personal call blocking list. CRUs must download the CP App onto their qualified smartphone from generally available app stores, such as Apple iTunes® and Google® Play. The CP App requires Customer and individual CRUs to accept the terms of a EULA found at att.com/legal/terms.callProtectEULA.html prior to use. **Limitations:** AT&T Call Protect Basic is not guaranteed to be accurate and may inadvertently block wanted or permissible calls (including service messages) or misidentify numbers as suspected spam or potential fraud. Other restrictions apply; see att.com/securitycallprotect for more details. **UNLIMITED DATA:** For use in the DCA. **UNLIMITED TALK:** Phones only. Includes unlimited calls within the DCA. Service may be terminated for excessive roaming (see Business Agreement). **Unlimited Talk to Canada and Mexico:** Phones only. Includes unlimited International Long Distance (**ILD**) calling from the DCA to Mexico & Canada only. You may be charged for calls to special or premium service numbers. **Calls to Other Countries:** Plans for phones also include ILD service that can be used to call countries other than Canada & Mexico. Per minute pay-per-use rates apply unless an ILD service package is added to the CRU line placing such calls. Rates subject to change without notice. For rates, see att.com/intcalling. **UNLIMITED TEXT: Standard Messaging –** Phones only. Includes unlimited number of messages up to 1MB in size within and from the DCA to more than 190 countries for text messages and 120 countries for picture and video messages. AT&T may add, change, and remove included countries at its discretion w/out notice. Messages sent through applications may incur data or other charges. See att.com/text2world for details. **Advanced Messaging –** For customers with Advanced Messaging capable devices only. Both sender and recipient(s) must be AT&T postpaid wireless customers with HD Voice accounts, have their capable devices turned on, and be within the AT&T-owned and operated DCA (excludes third-party coverage). Includes unlimited messages up to 10MB in size. Additional restrictions apply and can be found at att.com/advancedmessaging. **MISCELLANEOUS: Business Agreement Discounts:** Plans may not be eligible for additional offers, credits or discounts described in the Business Agreement or otherwise. **Termination of Connected Car Service for CRUs:** Service will be provided to each connected vehicle until such time as: (a) Customer terminates the service for the vehicle; (b) ownership of the vehicle is transferred to a third party and the third party or the vehicle's manufacturer requests to establish service for the vehicle; or (c) AT&T terminates connected vehicle service by exercising its rights set forth elsewhere in the Business Agreement. AT&T will provide notice to Customer of termination of connected vehicle service to any vehicle within 24 hours of termination of service. Customer will have the responsibility of promptly terminating service on any vehicle for which it transfers title and Customer will bear all costs for the service until such time as the service is terminated pursuant to this termination provision. Transfer of ownership will be deemed to occur in any of the customary ways such transactions are conducted in the place where the vehicle is located, including, but not limited to, transfer of title for the vehicle to a third party. Customer acknowledges and agrees that: (a) AT&T will have no obligation whatsoever to determine the facts or circumstances pertaining to any transfer of ownership for any vehicle; (b) AT&T may reasonably rely upon the request of a third party or the manufacturer of a vehicle as a basis to terminate service for that vehicle; and (c) Customer will hold harmless, and not assert any claims against, AT&T regarding any conveyance of any vehicle to which service is provided.

ROAM NORTH AMERICA FEATURE: Allows plan data, talk & text usage. **Data:** allows domestic plan data usage in Mexico and Canada. **Talk:** Phones only. Includes calls within Mexico and Canada and from Mexico/Canada to the DCA (collectively with Mexico & Canada, the **North America Coverage Area or NACA**). You may be charged for calls to special or premium service numbers. **Calls to other countries:** International long distance pay-per-use rates apply to calls from Mexico or Canada to countries outside NACA unless you have an ILD service package. Rates subject to change w/out notice. For rates, see att.com/intcalling. **Text: Standard Messaging –** Phones only. Includes unlimited messages up to 1MB in size within Mexico/Canada and from Mexico/Canada to more than 190 countries for text messages and 120 countries for picture and video messages. AT&T may add, change, and remove included countries at its discretion without notice. Messages sent through applications may incur data or other charges. Visit att.com/text2world for details. **Advanced Messaging –** not available for use in Mexico or Canada. **Device Restrictions:** Service not available on select connected wearables, cameras, connected cars, and HARMAN Spark devices.

All offers, promotions, pricing, terms, restrictions & conditions subject to change & may be modified, discontinued or terminated at any time without notice.

GENERAL WIRELESS SERVICE TERMS: Subject to applicable Business Agreement. Service is not for resale & is intended for use primarily within DCA. If AT&T does not enforce any of the terms or restrictions of its service offerings, it is not a waiver of the right to enforce those terms or restrictions. AT&T reserves the rights to enforce all terms and restrictions at any time. If AT&T determines your use of services violates any of the applicable terms or policies found in the applicable Business Agreement, we may in our sole discretion suspend, modify, terminate or restrict your service. **Coverage:** Coverage map shows high level approximation of areas included in and out of plan. For the most current coverage info for your area (depending on the network capabilities of your device), check wireless.att.com/coverageviewer (for 3G/4G/LTE) and att.com/5Gforyou (5G+). Coverage may include areas that are served by unaffiliated carriers & not on AT&T's owned and operated network (off-net). Coverage is subject to change without notice. **Network Management:** All AT&T service is subject to AT&T network management policies. See att.com/broadbandinfo for details. **Off-Net Usage:** International and domestic off-net (roaming) data usage may be at 2G speeds. **Excessive Off-Net Usage:** You get an off-net (roaming) usage allowance for each service. If you exceed the allowance, your service(s) may be restricted or terminated. **Other Restrictions & Charges:** Other restrictions apply and may result in service termination. If you purchased a device that requires a term commitment, an **Early Termination/Cancellation Fee** applies if you cancel service after the first 30 days and before your term ends. See att.com/equipmentETF for details on what fee may apply for your device and how the fee is prorated over time. **Activation/upgrade fee** per line (up to \$45) & deposit may apply. Credit approval may be required. **AT&T reserves the right to suspend or terminate service to your account, place any non-complying device on an appropriate plan, and/or add any other required element of a plan.** **Other Monthly Charges:** Apply per line & may include taxes, federal/state universal service charges, Regulatory Cost Recovery Charge (up to \$1.50), gross receipts surcharge, Administrative Fee, and other government assessments (including without limitation a Property Tax Allotment surcharge of \$0.20 – \$0.45 applied per CRU's assigned number), which are not government-required charges. Additional one-time charges may apply. See att.com/mobilityfees for more details on other charges. For full service terms and conditions, see the Business Agreement.
