THESE PLANS ARE RETIRED. Customers with an existing Mobile Share Plus for Business plan may still add new lines up to the plan's line limit, but customers seeking to add a new plan must choose one of AT&T's current wireless offerings.

* **What you will see on your bill:** The total monthly charge consists of a plan charge for talk, text, and data (\$40/mo. for a single line 3GB plan, \$60/mo. for a multi-line 3GB plan, \$50/mo. for a single line 9GB plan, \$80/mo. for a multi-line 9GB plan, \$120 for a 20GB plan, \$230 for a 30GB plan, \$380 for a 60GB plan, or \$620 for a 120GB plan) and a monthly per-line access charge for access to those services (see footnote 2 below for applicable access charges for smartphones and see table on page 2 for applicable access charges for other eligible devices). Prices above also include an AutoPay bill discount (\$10/mo. for 3GB and 9GB plans with one or fewer phone lines; \$20/mo. for 3GB and 9GB plans with two or more phone lines and for 20GB and higher plans) which starts within 2 bill cycles.

¹ **Overage charges & data speeds:** There are no overage charges. After all of your high-speed data is used (including any optional Data Packs), all data usage is slowed to a max of 128Kbps (2G speeds) for the rest of the bill cycle. Audio and video streaming, picture and video messaging, and other data usage will be impacted and may not be fully functional. See att.com/broadbandinfo for AT&T's network management practices.

² Total monthly charges shown in table include the \$30/mo. (3GB to 20GB plans) or \$25/mo. (30GB and higher plans) per-line access charges for smartphones purchased at full price, on a qualified installment agreement, bring your own, or on a month-to-month term. Applicable per-line access charges for smartphones with a service commitment are \$50/mo. (3GB to 20GB plans) or \$45/mo. (30GB and higher plans). Device costs not included.

What you get with Mobile Share Plus for Business:

- **Sharable data** – for up to 10 or 25 phones, tablets, and other devices, depending on the plan you select.
 - **No overage charges** – if you exceed your high-speed data allotments. After use of all high-speed data amounts, reduced speeds apply.
 - **Rollover data** – the plan data you don't use this month rolls over for use in the next month. Rollover Data expires after one month or with any plan change and is consumed after your plan data.
 - **HD video streaming (with Video Management feature off)** (Video typically streams at standard definition. Content bundled with video may be slow to load. Go to att.com/myatt or att.com/premier (as applicable) to change your settings to video in higher definition. Details at att.com/VideoFeature.)
 - **AT&T ActiveArmorSM mobile security** (including Spam Risk & Auto Fraud Call Blocking)
(Compatible device/service required. Requires download of ActiveArmor App and acceptance of terms of service. Visit att.com/activearmorapp for details. Data charges may apply. May inadvertently block wanted calls; settings can be adjusted in the app. Some mobile security features are not available while roaming internationally; see att.com/activearmorseula.)
 - **Unlimited domestic talk and text**
 - **Tethering/mobile hotspot use** with compatible device
 - **International perks** –
 - Unlimited talk from the U.S. to Mexico – and on 20GB plans and higher only, you also get unlimited talk from the U.S. to Canada
 - No roaming charges for plan voice, text, and data use while in Mexico
- (Compatible device and plan required. Pay-per-use rates apply to calls made to other countries. Roaming may be at 2G speeds. Other restrictions apply.)

THESE PLANS ARE RETIRED. Customers with an existing Mobile Share Plus for Business plan may still add new lines up to the plan's line limit, but customers seeking to add a new plan must choose one of AT&T's current wireless offerings.

AT&T MOBILE SHARE PLUSSM FOR BUSINESS PLANS: Available only to business and government customers with a qualified wireless service agreement that includes, without limitation, the Additional Service and Equipment-Related Terms found at att.com/abs-addtl-terms (**Business Agreement**). For Corporate Responsibility User (**CRU**) lines of service only. **All AT&T service is subject to the terms and conditions in your Business Agreement.** All AT&T service is subject to AT&T network management practices. See att.com/broadbandinfo for details. **PRICING:** Prices are for service only and include a monthly plan charge for talk, text and data & a per device monthly access charge for access to such services. Eligible customers can get a discount for having AutoPay, a Single Phone Line Discount for qualified plans and/or a Smartphone Access Charge Discount. If eligible, each discount will be applied via a monthly bill credit. Other Mobile Share plans may have been retired. If on a retired Mobile Share plan, you may upgrade and add or remove lines. If you want to change your high-speed data allotment, you must pick from a currently available plan. **AutoPay Discount:** \$10 per month discount for 3GB and 9GB plans with one or fewer phone lines; \$20 per month discount for 3GB and 9GB plans with two or more phone lines and for 20GB and higher plans. Requires being active and enrolled in AutoPay. Discount starts within 2 bill cycles. **Single Phone Line Discount for 3GB and 9GB Plans:** Monthly \$20 (3GB plan) or \$30 (9GB plan) discount applied to your plan charge if you have only one phone line on a multi-line plan. **Smartphone Access Charge Discounts: For plans with 20GB or less,** the standard \$540 per month device access charge for smartphones is discounted by \$20 per month for smartphones on an installment plan, purchased at full price, bring your own, or on a month-to-month term; **for plans with 30GB or more,** the standard \$540 per month device access charge for smartphones is discounted (a) by \$25 per month for smartphones on an installment plan, purchased at full price, bring your own, or on a month-to-month term or (b) by \$5 per month for smartphones with a service commitment. **Devices:** Sold separately. Limit 1 per 3GB or 9GB single line plan; limit 10 per 3GB or 9GB multi-line plan or 20GB plan; and limit 25 per 30GB or higher plan. **DATA:** For use in the United States (**Domestic Coverage Area** or **DCA**). Plans also include data usage in Mexico for compatible phones, tablets, laptops, netbooks, and mobile hotspot devices and data usage in Mexico and Canada for series 5 and higher Apple wearables. Additional or promotional data may not be available for use outside the DCA. **OVERAGE CHARGES AND DATA SPEEDS:** No charge for overage. **However, after all your high-speed data allotments are used, all data usage is slowed to a max of 128 Kbps for the rest of the bill cycle.** During that period, audio and video streaming, apps and services, picture and video messaging, as well as other data usage will be impacted and may not be fully functional. **VIDEO STREAMING:** Plan includes the Video Management feature. We aim to render streaming video in standard-definition (max of 2 Mbps for customers on both 5G-enabled devices and rate plans or 1.5 Mbps for devices or plans not compatible with 5G) though some video cannot be identified. Sometimes, other content that content providers bundle with streaming video may be impacted and slowed, including downloads. In certain situations, we may deliver video content faster or at higher definition. To experience higher definition video when available, or if you have an issue, turn the feature off or back on any time at att.com/myatt or att.com/premier (as applicable). Details at att.com/VideoFeature. **TETHERING/MOBILE HOTSPOT:** use for up to five (5) simultaneous devices. Requires compatible device. **RESTRICT USAGE:** Authorized users on the account may temporarily suspend data access for each device on the plan. Data access will be restored at the beginning of the next billing cycle. Monthly charges continue to apply. **ROLLOVER DATA:** Unused data from the monthly plan allowance rounds up to the nearest MB and carries over for one billing period. **Rollover Data automatically expires after one billing period or with any plan change (such as changing data amounts or termination).** Rollover Data is used after your monthly plan allowance. Rollover Data is not redeemable for cash or credit and is not transferable. **DATA PACKS:** Data Packs are optional (for an additional per Data Pack charge) and provide an additional allotment of high-speed data for use in the DCA and, for compatible series 5 and higher Apple wearables only, in Mexico and Canada, or, for other compatible devices, in Mexico. Data Pack data allotments are used prior to any available monthly plan data allowance and any Rollover Data. Limit of two of each Data Pack option per month per plan. Data Packs do not roll over and must be used within the bill period provided or are forfeited. Data Packs automatically expire at the end of the bill period in which provided or with certain plan changes (such as switching to an ineligible plan or termination). Data Packs are not transferable to other plans or accounts. **UNLIMITED TALK:** For phones and wearables only. Includes unlimited calls within the DCA. Plans also include unlimited calls within Mexico for phones; plans also include unlimited calls within Mexico and Canada for series 5 and higher Apple wearables (OS upgrade may be required). **Unlimited Talk to Mexico:** For phones only. Plans include unlimited International Long Distance (**ILD**) calling for phones from the DCA to Mexico and from Mexico to the DCA. You may be charged for calls to special or premium service numbers. For rates, see att.com/intlcalling. **Unlimited Talk to Canada and Mexico:** For compatible wearables only. Plans include unlimited ILD calling from the DCA to Mexico and Canada. Series 5 and higher Apple wearables can also make calls between Mexico and Canada and from Mexico and Canada to the DCA. **UNLIMITED TEXT:** For phones and compatible wearables only. Includes unlimited number of messages up to 1MB in size within and from the DCA. Plans also include messages within and from Mexico for phones; plans also include messages within and from Mexico and Canada for series 5 and higher Apple wearables only. For texting to other countries, see att.com/text2world. Messages sent through applications may incur data or other charges. For texting to other countries, see att.com/text2world. **Advanced Messaging** – For customers with Advanced Messaging capable devices only. Not for use outside the Domestic Coverage Area. Additional restrictions apply and can be found at att.com/advancedmessaging. **AT&T ACTIVEARMORSM MOBILE SECURITY:** Requires compatible device and plan, download of ActiveArmor App and acceptance of terms of service (see att.com/activearmorseula). Details at att.com/activearmorapp. **Spam Risk & Auto Fraud Call Blocking:** May inadvertently block wanted calls; settings can be adjusted in the app. Some mobile security features are not available while roaming internationally. **COVERAGE:** Coverage may include areas that are served by unaffiliated carriers & not on AT&T's owned and operated network (off-net). Coverage is subject to change without notice. **OFF-NET USAGE:** International and domestic off-net (roaming) data usage may be at 2G speeds. **Excessive Off-Net Usage:** You get an off-net (roaming) usage allowance for each service. If you exceed the allowance, your service(s) may be restricted or terminated. **MISCELLANEOUS:** Plans are not available online at att.com/smallbusiness or att.com/myatt. **Connected Devices:** Includes eligible connected vehicles and other select devices. **Termination of Connected Vehicle Service for CRU Lines:** Service will be provided to each connected vehicle until such time as: (a) Customer terminates the service for the vehicle; (b) ownership of the vehicle is transferred to a third party and the third party or the vehicle's manufacturer requests to establish service for the vehicle; or (c) AT&T terminates service by exercising its rights set forth elsewhere in this Agreement. AT&T will provide notice to Customer of termination of service to any vehicle within 24 hours of termination of service. Customer will have the responsibility of promptly terminating service on any vehicle for which it transfers title and Customer will bear all costs for the service until such time as service is terminated pursuant to this Section. Transfer of ownership will be deemed to occur in any way of the customary ways such transactions are conducted in the place where the vehicle is located, including, but not limited to, transfer of title for the vehicle to a third party. Customer acknowledges and agrees that: (a) AT&T will have no obligation whatsoever to determine the facts or circumstances pertaining to any transfer of ownership for any vehicle; (b) AT&T may reasonably rely upon the request of a third party or the manufacturer of a vehicle as a basis to terminate service for that vehicle; and (c) Customer will hold harmless, and not assert any claims against, AT&T regarding any conveyance of any vehicle to which service is provided. **International Roaming:** Monthly plan prices do not apply to usage while roaming outside the DCA (or, for compatible series 5 and higher Apple wearables, the DCA, Mexico and Canada, or, for other compatible devices, the DCA and Mexico). International usage will be charged at pay-per-use roaming rates, found at att.com/intlpprates, unless an international package is added. For available international options, visit att.com/internationalforbiz. Not all devices may be eligible for international roaming. Plan usage in Mexico not available for connected vehicles. **Business Agreement Discounts:** Any CRU service discount described in the Business Agreement applies only to the monthly plan charge, not monthly device access charges.

All offers, promotions, pricing, terms, restrictions & conditions subject to change & may be modified, discontinued, or terminated at any time without notice.
