
Unlimited talk & text and shared data with no overage charges.* All in one plan. Optional Data Packs available. After use of all high-speed data amounts (including any optional Data Packs), reduced speeds apply.

What you get with Mobile Share Advantage plans for business

**Worry free data**

No overage charges if you exceed your high-speed data allotments.* Truly sharable data for your entire group – use your data for up to 10 or 25 phones, tablets and other devices, depending on the plan you select.

(After use of all high-speed data amounts, reduced speeds apply.)

**Rollover Data** – the plan data you don’t use this month rolls over for use in the next month.

(Rollover Data expires after one month or with any plan change and is consumed after your plan data.)

Stream Saver allows video to stream at quality similar to DVD (max 1.5 Mbps, about 480p), to help you conserve more of your data. AT&T will activate the feature for you and you may turn it off at any time to stream in high definition when available.

(Ability to stream & video resolution vary. Restrictions apply.)

**Unlimited talk & text**

Unlimited number of domestic calls and texts.

AT&T Call Protect Basic, which helps identify potential spam and automatically blocks suspected fraudulent calls.

(Compatible smartphone required. Must download AT&T Call Protect app before all AT&T Call Protect Basic services will go into effect. Other restrictions apply. See att.com/securitycallprotect for details.)

**International perks**

Unlimited texting from the U.S. to over 120 countries on all plans.

Plus on 10GB plans or higher:

• Unlimited talk from the U.S. to Mexico & Canada
• No roaming charges for plan voice, text and data use while in Mexico

(Compatible device req’d. Roaming usage may be at 2G speeds. Restrictions apply.)

AT&T MOBILE SHARE ADVANTAGE & MOBILE SHARE ADVANTAGE FOR BUSINESS PLANS: THESE PLANS ARE RETIRED.

Customers with AT&T Mobile Share Advantage plans for business may only add or cancel lines. Customers seeking to make any other changes must choose one of AT&T's current wireless plans. Eligibility: Mobile Share Advantage Plans – available to consumers (including Individual Responsibility Users) and to business customers with a qualified wireless service agreement including without limitation the Additional Service and Equipment Related Terms found at att.com/abs-abt-adv-t (Business Agreement). Mobile Share Advantage for Business Plans – available only to business customers with a qualified Business Agreement and only for Corporate Responsibility User (CRU) lines of service. Devices: Sold separately. Installment plan charges or other device purchase costs are extra. Device Limits: 10 per plan on Mobile Share Advantage, 25 per plan on Mobile Share Advantage for Business. Monthly Device Access Charges: For Mobile Share Advantage Plans – the standard $45 device access charge for smartphone lines is discounted by $20 per month for smartphones on an installment plan, purchased at full price, bring your own or on a month-to-month term; for Mobile Share Advantage for Business Plans – the standard $45 device access charge for smartphone lines is discounted by $25 per month for smartphones on an installment plan, purchased at full price, bring your own or on a month-to-month term period or $5 per month for smartphones with a service commitment. Device access charge discount will appear on your bill. Data: For use in the United States (Domestic Coverage Area or DCA) only. Off-net (roaming) data usage may be at 2G speed; 10GB & higher plans also include data usage in Mexico. Plans also include usage in Canada for select connected vehicles only. Additional or promotional data may not be available for use outside the DCA. OVERAGE CHARGES AND DATA SPEEDS: No charge for overage. However, after all your high-speed data allotments are used, all data usage is slowed to a max of 128 Kbps for the rest of the bill cycle. During that period, you will have basic data use for viewing a web page or checking email. Audio and video streaming, apps and services, picture and video messaging, as well as other data usage will be impacted and may not be fully functional. See att.com/broadbandinfo for more information about AT&T’s network management practices. VIDEO STREAMING: Includes Stream Saver feature, which allows you to stream higher definition video in Standard Definition on compatible devices (unless video provider has opted out). Stream Saver will not recognize all video content. Ability to stream and video resolution may vary and be affected by other factors. To enjoy access to High Definition video on compatible devices and when available, you can turn Stream Saver off or back on at any time through your account management portal (att.com/myatt or att.com/premer, as applicable) or by calling 611. Restrictions apply. Details at att.com/streamsavertethering/mobilehospot. Use for up to five (5) simultaneous devices. Tethering requires compatible device.

RESTRICT USAGE: Authorized users on the account may temporarily suspend data access for each device on the plan. Data access will be restored at the beginning of the next billing cycle. Monthly charges may apply if leftover data is not used before the end of the specified period. Rollover Data automatically expires after one billing period or with any plan change (such as changing data amounts or termination). Rollover Data is used after your monthly plan allowance. Rollover Data is not redeemable for cash or credit and is not transferable. DATA PACKS: Data Packs are optional and provide an additional allotment of high-speed data for use in the DCA and/or Mexico, depending on your selected plan. Data Pack data allotments are used prior to any available monthly plan data allowance and any Rollover Data. Limit of two of each Data Pack option per month per plan. Data Packs do not roll over and must be used within the bill period provided or are forfeited. Data Packs automatically expire at the end of the bill period in which provided or with certain plan changes (such as switching to an ineligible plan or termination). Data Packs are not transferable to other plans or accounts. UNLIMITED TALK: For phones only. Includes unlimited calls within the DCA (10GB & higher plans also include calls within Mexico). Service may be terminated for excessive roaming (see Business Agreement). Unlimited Talk to Canada and Mexico: included on 10GB and higher plans. For plan on or after 8/31/19 includes unlimited International Long Distance (ILD) calling from the DCA to Mexico and Canada only. You may be charged for calls to special or premium service numbers. Calls to Other Countries: Select plans also allow calling from the DCA and/or Mexico to countries other than Canada and Mexico. Per minute pay-per-use rates apply unless an ILD service package is added to the line placing such calls. Subject to change without notice. For rates, see att.com/txt2world for details. Advanced Messaging – For customers with Advanced Messaging capable devices only. Both sender and recipient(s) must be AT&T postpaid wireless customers with HD Voice accounts, and both must have their devices turned on and be within AT&T’s owned and operated DCA only (third party coverage and use in Mexico are excluded). Includes unlimited number of messages up to 10MB in size. Restrictions apply and can be found at cruy.att.com/advancedmessaging. AT&T CALL PROTECT BASIC: Requires compatible device. Includes network-based and application-based features that help manage unsolicited calls. CRUs must download the AT&T Call Protect app (see att.com/legal/terms/callprotectEULA.html) and accept the terms and conditions before all AT&T Call Protect Basic services will go into effect. Data rates may apply. Other restrictions apply. Details at att.com/security/callprotect. MISCELLANEOUS: Wireless Home Phone (WHP): is a wireless voice service (CMRS). AT&T Wireless Internet (AWI): is a wireless voice service (Commercial Mobile Radio Service or CMRS) & mobile broadband internet access service. Plan 10GB or higher required. For AWI details visit att.com/wirelessinternet. WHP & AWI General: Messaging excluded. For emergency calls, provide location to 911 operator. Devices have backup battery but landline equip. with separate power will not place/receive calls (including 911) during outage. Not compatible with landline dependent services like medical alert monitoring systems. Other compatibility limitations apply. Connected Devices: Includes eligible connected vehicles, wearables, cases, connected wearables and other select devices. Termination of Connected Vehicle Service for CRU Lines: Service will be provided to each connected vehicle until such time that (a) the customer terminates the service for the vehicle; (b) ownership of the vehicle is transferred to a third party; and the third party or the vehicle's manufacturer requests to establish service for the vehicle; or (c) AT&T terminates service by exercising its rights set forth elsewhere in this Agreement. AT&T will provide notice to Customer of termination of service to any vehicle within 24 hours of termination of service. Customer will have the responsibility of promptly terminating service on any vehicle for which it transfers title and Customer will bear all costs for the service until such time that service is terminated pursuant to this Section. Transfer of ownership will be deemed to occur in any of the customary ways such transactions are conducted in the place where the vehicle is located, including, but not limited to, transfer of title for the vehicle to a third party. Customer acknowledges and agrees that: (a) AT&T will have no obligation whatsoever to determine the facts or circumstances pertaining to any transfer of ownership for any vehicle; (b) AT&T may reasonably rely upon the request of a third party or the manufacturer of the vehicle as a basis to terminate service for that vehicle; and (c) Customer will hold harmless, and not assert any claims against, AT&T regarding any conveyance of any vehicle to which service is provided. Connected Wearables: Is a wireless phone designed to be worn that is capable of making/receiving calls without being connected to another wireless device. For a list of devices visit att.com/wareabledlist. Mexico Service Restrictions: Plan usage not available in Mexico on WHP, AWI & Connected Devices. Pay-per-use roaming rates will apply on these devices. Plan usage or roaming in Mexico not available on connected vehicles. Business Discount: Any CRU service discount described in the Business Agreement applies only to the monthly plan charge, and not monthly device access charges.

All offers, promotions, pricing, terms, restrictions & conditions subject to change & may be modified, discontinued or terminated at any time w/out notice.

GENERAL WIRELESS SERVICE TERMS: Subject to applicable Business Agreement. Service is not for resale & is intended for use primarily w/in DCA. If AT&T does not enforce any of the terms or restrictions of its service offerings, it is not a waiver of AT&T’s right to enforce those terms or restrictions. AT&T reserves the right to enforce all terms & restrictions at any time. If AT&T determines your use of services violates any of the applicable terms or policies found in the Business Agreement, we may in our sole discretion suspend, modify, terminate or restrict your service. COVERAGE: Coverage map shown is high level approximation of areas included in and out of plan. For the most current up-to-the-minute information, you may visit att.com/coverage or att.com/mobilecoverage. This map may include areas that are served by unaffiliated carriers & not on AT&T’s owned and operated network (off-net). Coverage is subject to change without notice. NETWORK MANAGEMENT: All AT&T service is subject to AT&T network management policies. See att.com/broadbandinfo for details. OFF-NET USAGE: International and domestic off-net (roaming) data usage may be at 2G speeds. Excessive Off-Net Usage: You get an off-net (roaming) usage allowance for each service. If you exceed the allowance, your service(s) may be restricted or terminated. Other restrictions apply & may result in service suspension. OTHER RESTRICTIONS & FEES: If you purchased a device that requires a term commitment, an Early Termination/Cancellation Fee applies if you cancel service before the first 30 days & before your term ends. See att.com/terminations for details on what fee may apply for your device and how the fee is prorated over time. Activation/upgrade fee per line (up to $45) & deposit may apply. Credit approval may be required. AT&T reserves the right to suspend or terminate service to your account, place any non-complying device on an appropriate plan, and add any other required element of a plan. Additional Monthly Fees & Taxes: Apply per line & include Regulatory Cost Recovery Charge (up to $1.50), Administrative Fee ($1.99), & other fees which are not government-required surcharges (including without limitation a Property Tax Assessment surcharge of $0.20-$0.45 applied per CRU’s assigned number) as well as taxes. Additional one-time charges may apply. See att.com/mobilefees for more details. For full service terms and conditions, see the Business Agreement.
