Expanded Upgrade Eligibility Report in Premier Online Care

Administrators can now include up to 300 lines on a single Upgrade Eligibility Report. Instead of running multiple reports 100 lines at a time, you can now request one report for up to 300 lines in Premier Online Care.

You can also request an Upgrade Eligibility Report for an entire Foundation Account when the Foundation Account has 300 or fewer active and suspended wireless numbers.

To access the Upgrade Eligibility Report in Premier Online Care, go to the **Reports** menu. Select **Request Reports** and then select **Upgrade Eligibility Report** from the list.
