The latest enhancements in the Premier eBill experience

View more bills in PDF using Premier eBill

Administrators can view and download older bills in PDF format (from 17-36 months) for a single Billing Account on a Foundation Account, when they are available in Premier eBill.

When 17 or more months of bills are available, a new link called **Request Older Billing Statements (PDF)** appears on the Billing account summary page. After the request for older statements is completed, the PDFs can be downloaded from the **Reports** menu, under **View generated reports**.
