Expand self-service options in Premier for your billing administrators.

As company administrators, you can now give billing administrators permission to shop in Premier Online Store.

You can also select the store order approvers.

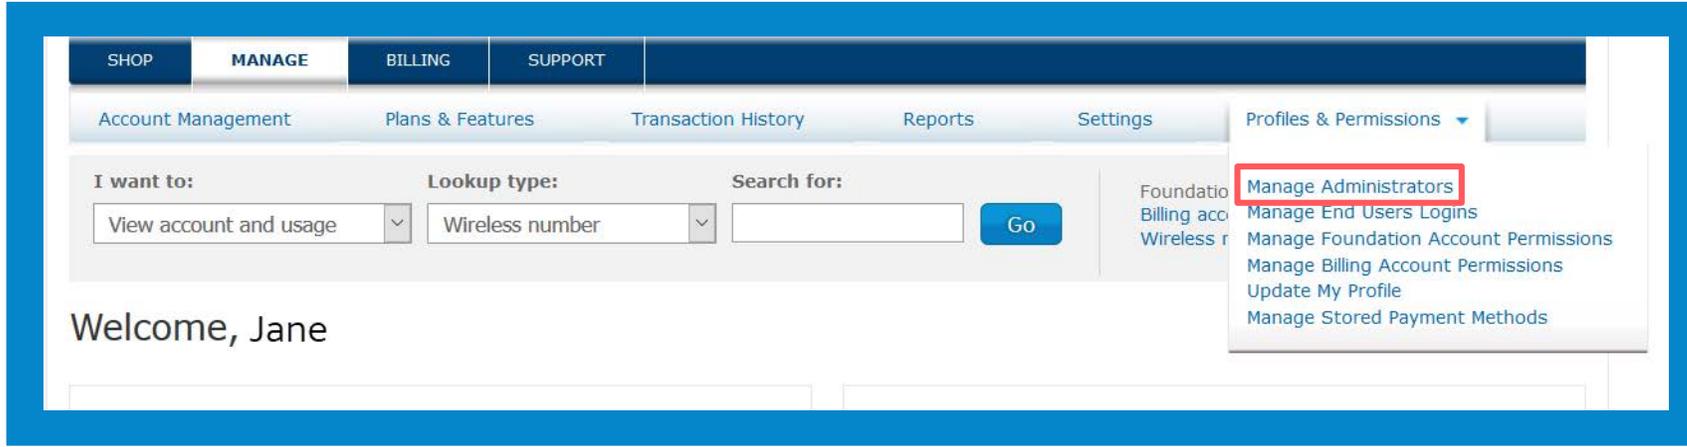

Options include:

- Use the current authorized approvers for the employee group.
- Create your own set of authorized approvers – up to 5 approvers.

These changes can be added in Premier Online Care when creating or editing a billing administrator.

In the next section, learn how you can do this quickly and easily in Premier Online Care.

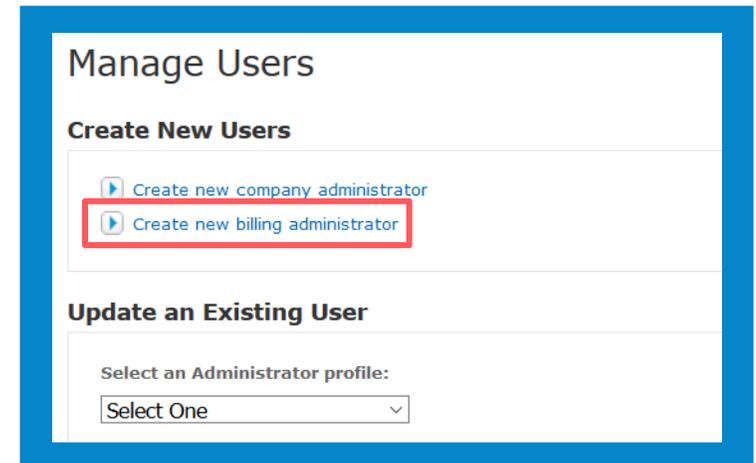

Easily manage store permissions and choose approvers (1 of 3)

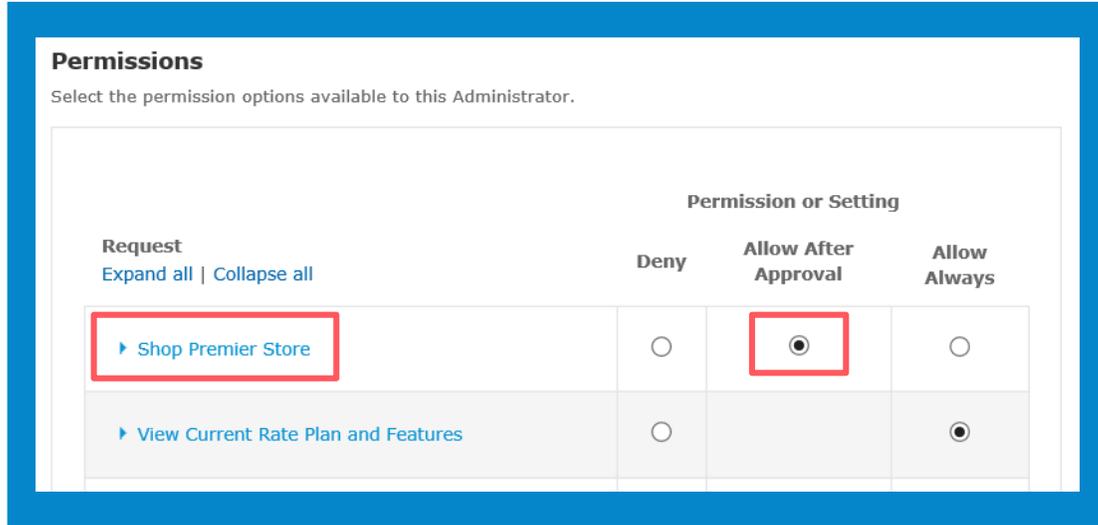

1. Log in to [Premier](#) with your Administrator login.
2. Under **Profiles & Permissions**, select **Manage Administrators**.

3. On the **Manage Users** page, select **Create new billing administrator**.

Note: To update an existing billing administrator, under **Select an Administrator profile**, select **Billing Administrator**. Then click **View/edit** for the billing administrator you want to update. (Not shown.)
