

## What are Remote Access Services?

Remote Access Services help you extend your reach and find better ways to stay connected with access virtually anywhere, anytime to your VAN.

Don't jump through hoops.  
Get work done with easy connectivity.

### One click connectivity

- Connects your device with a single click to your data and networks
- Provides a degree of business continuity capabilities
- Connects via wireless, wifi or broadband

### Increased productivity

- Meet with a client whenever, virtually wherever
- Near real-time access to critical company resources
- Access your VAN through multiple touch points
- Stay connected from virtually anywhere

### Security

- Designed to allow you to be compliant with your security policies
- Remote Access Services are highly secure solutions to access your business data
- As reliable and consistent as your experience in the office
