Important Information:

1. Requires a contract. Plans must be paid in full at time of first bill, plus applicable taxes. Plus \$2 per SIM fee if SIM obtained from AT&T. Material one-time account set-up fees apply, contact AT&T for details. Other setup charges may apply for optional services. Annual and multi-year plans expire at end of plan term or exhaustion of allotted data, whichever occurs first. Unused data expires at end of term. Payments are non-refundable. You will be automatically enrolled in auto renew, unless you select a different option during sign-up. With auto renew, your plan automatically renews for another term if all data is used before the end of the existing term. If data remains at the end of the term, your plan will not automatically renew, unless you select a different option during sign-up. US usage only. Coverage and service not available everywhere.

2. Requires a contract. Plus \$2 per SIM fee if SIM obtained from AT&T, one-time activation fee of \$2 per SIM, and applicable taxes. Material one-time account set-up fees apply, contact AT&T for details. Other setup charges may apply for optional services. Unused data expires at end of billing period. Payments are non-refundable. Monthly plans do not auto renew, unless auto renew option is selected during sign-up. Overages apply pro rata based on KBs used. US usage only. Coverage and service not available everywhere.

† Requesting data service at the rates listed above is not a guarantee that AT&T will enter into a data agreement. AT&T evaluates a variety of business factors prior to providing data services and reserves the right to decline to enter into a data agreement with a potential customer.
