Subject: Federal Universal Service Fund Surcharge/Fee Waiver Certification - New Requirement for Payphone Service Providers (PSPs) Exempt from FUSF Surcharge/Fee

The FCC's rules now require AT&T 13-State to obtain a valid Federal Universal Service Fund Surcharge/Fee Waiver Certification form **every year** from each customer claiming exemption from the Federal Universal Service Fund ("FUSF") surcharge or fee that AT&T collects.

AT&T 13-State has established a process for you to obtain a waiver of the Federal Universal Service Fund Surcharge/Fee ("FUSF Fee") on applicable services you have purchased from AT&T for resale in the form of telecommunications service. To request a FUSF Fee waiver, complete, sign and submit the enclosed Federal Universal Service Fund Surcharge/Fee Waiver Certification form and return it to AT&T by January 31, 2008.

If you have not previously submitted a Federal Universal Service Fund Surcharge/Fee Waiver Certification form to AT&T 13-State and you are currently being billed the FUSF Fee, please note that the FUSF Fee may, depending upon the bill date(s), continue to apply to your ANIs until the second bill date following AT&T 13-State receipt of a valid Waiver Certification form. If AT&T does not receive a valid Waiver Certification form, the FUSF fee will continue to be assessed. **Waivers will not be granted retroactively.**

If you previously applied for and obtained a waiver, your prior waiver will be honored through January 31, 2008. However, to receive a waiver for the remainder of 2008, you must submit a new Waiver Certification form by January 31, 2008.

Failure to timely submit a valid Federal Universal Service Fund Surcharge/Fee Waiver Certification form will mean that you will be liable to pay the FUSF Fee billed by AT&T 13-State even if you also contribute directly to the universal service support mechanisms based on your end-user revenue from the resale of the service.

Unless otherwise notified, AT&T 13-State will consider all ANIs billed to your company to be covered by this Federal Universal Service Fund Surcharge/Fee Waiver Certification form.

Please return the completed Federal Universal Service Fund Surcharge/Fee Waiver Certification form, together with any necessary attachment by January 31, 2008, using one of the following methods:

- E-mail to: pccdispute@att.com
- FAX to: 214-464-1274
