Subject: Federal Universal Service Fund Surcharge/Fee Waiver Certification - New Requirement for Payphone Service Providers (PSPs) Exempt from FUSF Surcharge/Fee

The FCC's rules now require AT&T 9-State to obtain a valid Federal Universal Service Fund Surcharge/Fee Waiver Certification form **every year** from each customer claiming exemption from the Federal Universal Service Fund ("FUSF") surcharge or fee that AT&T collects.

AT&T 9-State has established a process for you to obtain a waiver of the Federal Universal Service Fund Surcharge/Fee ("FUSF Fee") on applicable services you have purchased from AT&T for resale in the form of telecommunications service. To request a FUSF fee waiver, you must complete, sign and submit the enclosed Federal Universal Service Fund Surcharge/Fee Waiver Certification form and return it to AT&T by January 31, 2008.

If AT&T does not receive a valid Waiver Certification form by the date specified above, the FUSF fee will be assessed with an effective bill date of January 1, 2008. **Waivers will not be granted retroactively.**

Failure to timely submit a valid Federal Universal Service Fund Surcharge/Fee Waiver Certification form will mean that you will be liable to pay the FUSF fee billed by AT&T 9-State even if you also contribute directly to the universal service support mechanisms based on your end-user revenue from the resale of the service.

Unless otherwise notified, AT&T 9-State will consider all ANIs billed to your company to be covered by this Federal Universal Service Fund Surcharge/Fee Waiver Certification form.

Please return the completed Federal Universal Service Fund Surcharge/Fee Waiver Certification form, together with any necessary attachment by January 31, 2008, using one of the following methods:

- E-mail to: pccdispute@att.com
- FAX to: 214-464-1274
