PAYPHONE SERVICE PROVIDER COMPENSATION REPORT REQUEST

The FCC's Report and Order of October 3, 2003 (FCC 96-128) in the Matter of the Pay Telephone Reclassification and Compensation Provisions of the Telecommunications Act of 1996 provides that Completing Carriers are to provide reports that detail the Per Call Compensation paid to Payphone Service Providers (PSPs). Please note that the SBC Telephone Companies (SBC) will continue to pay Per Call Compensation as credits on monthly bills. The availability of quarterly reports will not alter the compensation payment method, and the reports offered will only provide the detail for the compensation paid by SBC.

The reports will be provided in electronic format for the appropriate quarter following our receipt of your signed form (please see below for details on transmitting the response to us). SBC recommends selecting the email option (see below) for you to receive reports as it has the fastest delivery time You may, as an alternative, choose to receive the reports in electronic media in hard form (3 ½" floppy disk or CD ROM at SBC's option dependent upon the amount of data.) The first reports will be sent within 90 days after close of each quarter.

Reports will be generated by SBC Region. SBC-West (W) includes California and Nevada. SBC – Southwest (SW) includes Texas, Arkansas, Kansas, Oklahoma, and Missouri. SBC-Midwest (MW) includes Illinois, Indiana, Ohio, Michigan, and Wisconsin. SBC-East includes Connecticut.

Please complete the following Payphone Service Provider Compensation Report Request form to choose the delivery option and to verify the delivery address where the reports should be sent.
